OVERVIEW

MUST SEE! Step aboard the striking 2019 Sunseeker 66, affectionately known as Smitten, and be transported to a world where refined elegance meets adventurous capability. This flybridge motor yacht blends classic lines with contemporary ingenuity, creating an unforgettable luxury cruising experience that rewards both the eye and the helm.

Propelled by powerful MAN V8 1200 engines and equipped with advanced marine systems, the Sunseeker 66 offers spirited, assured performance and responsive, balanced handling. Her graceful profile and meticulous build quality are as satisfying to behold as they are to command, capturing the true spirit of a high-performance motor yacht designed for offshore passages.

Every interior and exterior surface has been considered to maximize comfort and serenity. The full-beam owner's suite, positioned aft for privacy, boasts a king berth, an integrated dresser with a writing desk, a cozy seating nook, extensive wardrobe capacity, and a dedicated television; the ensuite bathroom is finished with spa-like appointments to create a tranquil personal haven. Forward, the VIP stateroom features an elevated berth with refined detailing, two ample closets, and a beautifully appointed private head—ideal for extended voyages. Two further guest cabins provide twin, side-by-side berths, individual closets, and televisions, ensuring generous accommodation for family or charter guests.

Warm, custom materials and elegant finishes throughout establish a calm, polished atmosphere. The luminous, open-plan salon invites effortless entertaining and relaxation, while the private cabins serve as restful refuges for overnight journeys. A true luxury motor yacht and bluewater cruiser, this Sunseeker 66 excels as a versatile flybridge, equally at ease hosting sunset cocktails at anchor or stretching her legs on a long-distance escape.

DETAILED DESCRIPTION

2019 Sunseeker Manhattan 66

MUST SEE. Step aboard the breathtaking 2019 Sunseeker Manhattan 66, fondly known as Smitten, and discover a world where luxury and adventure meet. Driven by powerful MANN V8 1200 engines, Sleipner stabilization and advanced marine technology, this yacht delivers exceptional performance with smooth, responsive handling. A full flybridge crowned by a hardtop with stainless steel supports features an electric central opening and a stern electric canopy, while the sleek profile and meticulous craftsmanship make it as captivating to behold as it is exhilarating to operate. Designed around easy indoor-outdoor living, the aft galley layout opens through wide doors to the aft deck, creating a seamless bar-served social hub. The galley itself is anchored by a factory custom island and equipped to a premium residential standard, including a stainless steel refrigerator unit with two freezer drawers, a wine cooler, a trash compactor, remote-control blinds and abundant stowage. A cockpit bar with a bar peninsula is fitted with two removable bar stools, ideal for sundowners. Forward, the foredeck welcomes guests with a teak table, while throughout the side decks low-level lighting and a fresh-water deck wash system enhance safety and practicality. Teak flows across the flybridge and cockpit, where you will also find a teak cockpit table, and the flybridge is further appointed with a cool box, a wet bar and a grill for effortless entertaining. The Manhattan 66 pampers with four staterooms, each offering a private ensuite bath. The full-beam master suite, positioned aft for optimal privacy, features a king-size bed, a built-in dresser with desk, a cozy seating nook, generous closet space and a dedicated TV; its ensuite is elegantly appointed to create a luxurious personal retreat. Forward, the VIP stateroom presents a raised bed, refined accents, two large closets and a beautifully

designed ensuite. Two additional guest staterooms provide side-by-side berths, personal closets and televisions, ensuring every guest enjoys a comfortable, welcoming stay. A crew cabin and a washer/dryer add flexibility for longer voyages. Every surface speaks to understated sophistication: oak and wenge interior wood finishes, Cadorn hardwood flooring on the master stairs and lobby, Cadorn hardwood through the main saloon and dining area, and Minerva Carrara White Marble Veined flooring in the heads. Ambient LED lighting with dimmer controls inside and out sets the mood, complemented by new LED underwater lights and practical docking lights for night arrivals. The open-plan saloon is bright, spacious and ideal for entertaining or unwinding, while the private staterooms offer peaceful havens for overnight journeys. A Tropical Air Conditioning package ensures comfort in the warmest climates. Handling and utility are first-rate. Bow and stern thrusters with proportional joystick controls and an additional stabilizer control panel on the flybridge make close-quarters maneuvering intuitive. A Yacht controller, CCTV, a Glendening cable master and a dependable Onan generator add confidence and convenience. The Aft Beach Club package transforms the transom into a waterside lounge, featuring a marine electric grill in a drop-down workstation, a fold-down platform seat and an overhead shower fitted to the gull-wing door. Navigation is comprehensive and redundant: at the lower helm, Simrad NSS12 Evo3 12-inch multifunction color radar chart plotters are paired with Simrad AP autopilot, Simrad IS42 speed/depth displays, a fishfinder, Simrad VHF and a Simrad transponder with SPA and AIS antenna; the flybridge mirrors this capability with a second set of Simrad NSS12 Evo3 12-inch plotters. A twin beam remote-controlled searchlight aids night running, while Starlink keeps you connected offshore. Entertainment has been elevated with the Interior AV Package upgrade. In the main saloon, a Samsung 55-inch TV rises and lowers at a touch, supported by a Blue Ray player, a Sonos sound bar, a subwoofer and a Sonos connect amp, plus Apple TV. The master cabin also features a Samsung 55-inch TV with Blue Ray player, Sonos sound bar and Apple TV. The

forward cabin is fitted with a Samsung 32-inch TV, a BlueRay player, Sonos Connect, an auxiliary amplifier, Flexson ceiling speakers and Apple TV. The starboard cabin offers a Samsung 22-inch TV with BlueRay player, Sonos Connect, an auxiliary amplifier, Flexson ceiling speakers and Apple TV, mirrored by the port cabin with its own Samsung 22-inch TV and the same BlueRay player, Sonos Connect, auxiliary amplifier, Flexson ceiling speakers and Apple TV. An upgraded Sonos audio package unifies sound throughout the yacht. Thoughtful recent care underlines the offering: a fresh buff in December 2025 restored the exterior shine, a 1000-hour service in February 2026 keeps the machinery on the button, and a spare set of propellers has never been used. Smitten is a rare opportunity to acquire a Sunseeker 66 that seamlessly blends design pedigree, exhilarating performance and thoroughly curated specification.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
