OVERVIEW

Introducing a striking 2023 Absolute Navetta 68 with just 550 hours, a flybridge motor yacht maintained to exacting standards by a meticulous previous owner. Appointed with premium options and thoughtful upgrades, she presents beautifully from stem to stern; expansive lounges and refined finishes flow into one another, while poised performance and bluewater capability combine with cruiser-like refinement to elevate every passage, every gathering, and every quiet hour aboard.

The Navetta 68's thoughtfully conceived volumes belie her class, offering a luminous, open salon and a true on-deck owner's suite that brings privacy and light to the fore. Guest accommodations are fashioned for comfort and seclusion, with a total layout of 4 cabins and 3 heads, complemented by an aft crew cabin that includes additional access to the engine room for convenient service. Her semi-displacement hull form underpins confident range and efficient seakeeping, reinforcing her role as a versatile long-range cruiser ready for extended voyages.

This is our newest trade; we are pleased to consider qualified trade-ins and provide in-house financing to simplify and streamline your acquisition, making ownership straightforward and effortless.

DETAILED DESCRIPTION

Factory installed custom options and additional features

This yacht arrives comprehensively specified, its factory-installed custom options elevating both poise and performance; a black painted side handrail flows forward, visually uniting with the black decorative line toward the bow, while an awning for the bow sofa and sun pad, supported by carbon poles, conjures effortless shade at anchor. The bow dinette is organized around an extendable, magnetized teak table set on an electrical leg and supplied with a tailored cover plus a dedicated backrest for the sun pad, enhancing versatility between lounging and dining. For seclusion underway or at rest, a privacy electrical sunshade deploys in the cockpit, and robust fiberglass side access doors streamline boarding and dockside handling. Power autonomy is assured by a pairing of 29 kW and 21.5 kW Onan generators (120V/240V-60Hz), while precise low-speed control comes courtesy of a bow thruster with progressive action. A hydraulic platform with 600 kg (1,323 lbs) lifting capacity features automatic access stairs integrated into the platform, simplifying tender launch and swim access. Comfort at sea is refined by a Seakeeper 16 gyroscopic stabilizer, and station-keeping is effortless with the Volvo DPS digital anchor, while a Miele wine cooler in the lower deck companionway preserves vintages at the perfect temperature.

Disclaimer

Denison Yacht Sales offers the details of this yacht in good faith, yet cannot guarantee the accuracy of the information or warrant the vessel's condition; this yacht for sale is offered subject to prior sale, price change, or withdrawal

from the market without notice, and it is provided by the broker as a convenience to its clients rather than as direct representation of a specific yacht for sale.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
