# OVERVIEW

---

Sunseeker Manhattan 63 "2Drunk" (2012, refit 2020)

An exquisite expression of Sunseeker's flybridge ethos, 2Drunk marries chic Mediterranean entertaining with true offshore capability. Lying in Trogir, Croatia and flying the Polish flag, she has been meticulously maintained with annual dry storage every year except this season. EU VAT has been paid (Poland), she received a tasteful interior refurbishment in 2020 including new carpets throughout, and the swim platform teak is scheduled to be renewed in 2025. With a strong specification and turnkey readiness, she is ideal for private cruising or refined family escapes.

## Highlights

EU VAT paid (Poland) and Polish-flagged

Interior refresh 2020 with new carpeting across the yacht

New teak for the swim platform planned for 2025

Twin MAN V8 1000 hp diesel engines, approximately 1,550 hours

Cummins Onan 16 kW generator

Sleipner bow and stern thrusters with joystick control at the lower helm and on the flybridge

Full Raymarine electronics suite: GPS/plotter, radar, autopilot, depth instrument and VHF

Watermaker installed for extended cruising autonomy

Premium audio systems: Bose Lifestyle 48 in the saloon, Bose 321 in the owner's suite, Fusion AV in the VIP and guest cabins

Multiple Sony LCD televisions (46", 32", 26", 22")

Comprehensive camera surveillance covering saloon, cockpit and platform

Williams Jet Tender 325 tender with approximately 70 hours

Generous sociable saloon arranged with U-shaped and L-shaped seating and dining areas

### Performance and Capacities

Cruising at around 24 knots with a top speed reaching up to 32 knots, 2Drunk is a capable planing hull cruiser. She carries 2,936 litres of fuel and 812 litres of fresh water, supporting both lively coastal hops and longer passages.

### Accommodation

Comfortable and well-laid-out sleeping accommodation for guests is provided in four cabins served by three bathrooms. The full-beam owner's suite features a large double berth, wardrobe, a private lounge area, TV and an en suite. Forward is a VIP with a double bed, mirrored wardrobe, TV and an en suite with day access. On the starboard side a twin cabin and to port a bunk cabin each offer a TV, storage and wardrobe, sharing an en suite/day head. Crew quarters sleep two and include an en suite.

### Deck and Exterior

The exterior is appointed for easy handling and enjoyment: an electro-hydraulic bathing platform suitable for the tender or water toys, a hydraulic passerelle and extensive teak on the aft deck, platform and flybridge (platform to be renewed in 2025). The flybridge is equipped with a wetbar, fridge, bimini and U-shaped seating that converts to a sunpad. The aft cockpit offers a teak dining table, comfortable cushions, bathing ladder, cockpit shower and underwater lights. Foredeck sunpads, electric windlass with Delta anchor and fresh water washdown add convenience, while 2 x Lewmar electric stern winches assist in mooring operations.

### Galley and Utilities

The galley is fitted for practical provisioning and service: a 3-zone ceramic hob, oven, extractor, stainless steel sink, fridge/freezer and ice maker, plus dishwasher and washing machine and abundant stowage throughout.

Available now; a full photo and video package can be provided on request.
