DETAILED DESCRIPTION

Sunseeker Manhattan 68

The Sunseeker Manhattan 68 presents a refined balance of performance, comfort and contemporary design, making her equally at home on extended passages and relaxed family holidays. Upgraded to the Platinum Mediterranean Package and cruising efficiently at approximately 32 knots, her thoughtfully conceived three-deck layout maximises both space and privacy. A standout hallmark is the dedicated private staircase to the full-beam master suite, delivering a level of separation and exclusivity more commonly associated with larger yachts, while the interior is finished to a high standard, uniting modern styling with practical functionality to accommodate owners and guests in assured comfort. On board, the specification is comprehensive to elevate both performance and the onboard experience: gyroscopic stabilisers ensure a smooth ride at anchor and underway, and the hydraulic bathing platform grants effortless access to the water. The beach club creates a convivial, leisure-focused hub for relaxation and watersports, and climate control is maintained throughout by a fully integrated air-conditioning system. This Manhattan 68 is offered with an extensive inventory, including a 2022 jet tender and personal watercraft, supporting a complete on-the-water lifestyle. The vessel has been fully serviced, with engines and generators maintained for immediate readiness. Blending long-range capability, intelligent design and premium upgraded onboard amenities, the Sunseeker Manhattan 68 is a compelling choice for owners seeking both luxury and practicality in a modern motor yacht.
