OVERVIEW

The 21.25-metre Princess 68 is an arresting flybridge motor yacht that marries refined British design with expansive alfresco living. Its generous flydeck, inviting bow lounge and a luminous saloon framed by wide glazed doors promote a fluid indoor-outdoor flow, while meticulous joinery and finishings throughout underscore the vessel's superior craftsmanship. With four well-appointed guest staterooms and an atmosphere of polished comfort, the Princess 68 offers a serene and sophisticated platform for relaxed cruising.

DETAILED DESCRIPTION

Equipment and other details

Specifically outfitted to make cruising effortless and refined, this yacht is equipped with fin stabilizers to ensure a smooth, steady ride, while bow and stern thrusters provide precise control during slow-speed maneuvers. A hydraulic swim platform eases access to the water and streamlines tender handling, and a passerella offers graceful, simple boarding in any port. An additional third control station grants extra flexibility when docking, allowing command from several vantage points. Supplementing the onboard experience, the included tender facilitates shore transfers and exploration, the watermaker supplies potable water for extended passages, and the inverter sustains onboard comforts and systems when shore power is not available. Rounding out the bridge, a chart plotter completes the navigation package to support confident route planning and clear situational awareness.

Equipment and other details

Onboard electrical power is provided by a 19 kW Onan generator that has accumulated 2,450 hours, while a TRAC Zero-Speed Fin Stabilizer delivers composed motion underway and exceptional steadiness at anchor. The accommodation layout offers four elegant staterooms — an expansive Master, a distinguished VIP and two comfortable Guest cabins — together with a separate crew cabin configured to sleep two. A 3.6 metre tender fitted with a 40 HP outboard rounds out the tender inventory. EU VAT has been paid, and the yacht is comprehensively equipped with essential systems and accessories, notably a watermaker and an inverter. Purchased from her original owner and maintained through authorized service centers, she has benefited from consistent, professional care and attention.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
