OVERVIEW

This 2020 Sunseeker Manhattan 68, currently located in Turkey and ready for its next discerning owner, combines a 21.2 m flybridge configuration with four staterooms accommodating eight guests, a full-beam owner's suite, an exceptionally spacious main-deck salon and a generous open-air flybridge designed for alfresco dining and tranquil relaxation, delivering the assured presence and poise expected of a top-tier flybridge motor yacht. Frequently celebrated among Sunseeker's flybridge range, the Manhattan 68 is admired for its engaging, confidence-instilling handling, dramatic panoramic glazing and family-oriented internal volume, all presented in a format that remains refreshingly accessible for private, owner-operated use. Powered by twin MAN V8 1200 hp engines with approximately 1,060 hours, her specification includes a hydraulic telescopic passerelle, a stern thruster with proportional joystick, a hydraulic stern storage locker, teak decking, aft mooring winches, LED deck lighting and a hardtop flybridge featuring an electric sliding centre section with an aft retractable awning, alongside comprehensive interior and exterior entertainment systems that enhance the onboard lifestyle of this performance-driven flybridge yacht. Comfort and autonomy aboard are supported by European-spec air conditioning, a fully outfitted crew cabin, a Cummins Onan 27 kW generator, an HRO Seafari watermaker rated at 110 l/h, an upgraded black water tank, washer-dryer, dishwasher, wine cooler, flybridge grill and drinks cooler. Two Quick MC2X 16 gyro stabilizers, Lumishore underwater lights, a Williams SportJet 345 tender and a Seabob F5 S further refine her capability for effortless Mediterranean cruising, underscoring her appeal as a refined, family-focused motor yacht for sale.

DETAILED DESCRIPTION

Sunseeker Manhattan 68

This 2020 Sunseeker Manhattan 68, presented for sale in Turkey, combines a 21.2 m flybridge profile with an intelligently arranged four-cabin layout for eight guests, anchored by a full-beam master suite, a spacious main-deck saloon and an expansive open-air flybridge conceived for both dining and relaxation. Renowned as one of Sunseeker's most successful flybridge designs, the Manhattan 68 pairs sporty, engaging handling with broad panoramic glazing and generously scaled, family-friendly interior volume, all packaged to remain remarkably straightforward to operate for private owners.

Twin MAN V8 1200 hp engines power the yacht and show approximately 1,060 hours, while a hydraulic telescopic passerelle, a proportional-joystick stern thruster and a hydraulically operated stern storage locker simplify marina routines and boarding. Decks finished in teak, aft mooring winches and LED deck lighting underline the thoughtful exterior specification, and the hardtop over the flybridge benefits from an electrically sliding centre section and an aft retractable awning to extend sheltered outdoor living. Comprehensive entertainment systems serve both interior and exterior spaces, and long-range comfort and autonomy are assured by European-spec air conditioning, a fully fitted crew cabin, a Cummins Onan 27 kW generator, an HRO Seafari 110 l/h watermaker and an upgraded black water tank. Domestic conveniences include a washer-dryer, dishwasher and wine cooler, while a flybridge grill with integrated drinks cooler enhances alfresco hospitality. For onboard comfort, capability and on-water enjoyment she carries two Quick MC2X 16 gyro stabilizers, Lumishore underwater lights, and a Williams SportJet 345 tender plus a Seabob F5 S, delivering tangible value for Mediterranean cruising.
