DETAILED DESCRIPTION

Description

Preliminary listing. The 2021 Sunseeker Manhattan 68 is presented in exceptional condition, a striking flybridge yacht that fuses sleek contemporary styling with confident performance and a highly sociable three-deck layout, equally at ease for owner-operators or fully crewed cruising. Crafted with the renowned build quality of Sunseeker International, she delivers luxurious accommodations for eight guests, expansive entertaining zones from bow to stern, and the kind of effortless indoor-outdoor flow that makes every passage feel like a private resort at sea. On the main deck a bright, open-plan salon framed by panoramic windows invites natural light and uninterrupted views, while the aft galley—set beside sliding doors—integrates seamlessly with the cockpit to create a single convivial living and dining space. Above, the expansive flybridge becomes the social heart of the yacht, complete with generous seating, a wet bar, inviting sunpads, and a secondary helm station that offers relaxed, elevated cruising with superb visibility. Forward, a refined bow lounge with sunbathing and seating provides a serene retreat underway or at anchor. Below deck, the Manhattan 68 accommodates eight guests in four en-suite staterooms, highlighted by a full-beam owner's suite amidships with large hull windows and a private mid-ship entrance via its own staircase. A forward VIP and two additional guest cabins deliver flexible arrangements for family and friends, while the overall four-stateroom, three-head layout ensures practical convenience on longer passages. A dedicated crew cabin adds comfort and discretion for professional support. Powered by twin MAN diesel engines showing 1280 hours, the yacht cruises confidently in the high-twenty-knot range and reaches a top speed of around 30 knots. Mechanical and comfort upgrades enhance every mile, including two gyro

stabilizers for poise at sea and at anchor, and a hydraulic swim platform engineered for launching a tender and water toys with ease. An Extended MAN Warranty is in place through August 2026, underscoring the pedigree and care behind this Manhattan 68.

Description

Предварительное объявление. Sunseeker Manhattan 68 model year 2021 is offered in exceptional condition, an impressive flybridge yacht that blends contemporary lines with assured performance and a social three-deck arrangement equally suitable for an owner-operator or for fully crewed charters. Built to the exacting standards of Sunseeker International, she provides luxurious accommodation for eight guests, generous entertaining spaces from bow to stern and a seamless indoor-outdoor flow that turns every cruise into a private resort. The main deck features a luminous, open-plan salon with panoramic windows that flood the interior with light and frame panoramic vistas, while the aft galley, positioned beside sliding doors, flows directly into the cockpit to create one continuous living and dining area. The flybridge above serves as the yacht's lively gathering place, offering abundant seating, a wet bar, comfortable sunpads and a secondary helm station that enables relaxed, elevated navigation with excellent sightlines. Forward, a tasteful bow lounge with sunbathing and seating provides a peaceful haven at sea or at anchor. Below decks, accommodation comprises four en-suite staterooms for eight guests, led by a full-beam owner's suite amidships featuring large hull windows and a private mid-ship access via its own staircase. A forward VIP and two further guest cabins allow flexible arrangements for family and friends, while the four-cabin, three-head configuration ensures practical convenience for extended cruising. A dedicated crew cabin maintains comfort and discretion for professional support. Twin MAN diesel engines with 1280 hours propel the yacht, delivering confident

cruising in the high-twenty-knot range and a top speed of approximately 30 knots. Upgrades to systems and comfort include two gyro stabilizers for steadiness at sea and at anchor and a hydraulic swim platform designed for effortless launching of a tender and water toys. An Extended MAN Warranty remains valid through August 2026, reflecting the care and provenance of this Manhattan 68.
