OVERVIEW

Showing at the Newport Beach International Boat Show, April 16–19, 2026.

Seaquel is one of the most immaculately maintained yachtfishers afloat. This distinguished 2009 McKinna 69 Skylounge motor yacht marries genuine bluewater performance with refined sophistication, the result of meticulous, no expense spared upkeep throughout her life. A cutting edge electronics suite, specifically configured for dedicated diving and sportfishing, sits alongside increased fuel tankage for extended offshore passages and robust fin stabilizers that deliver poised, whisper quiet comfort in all sea states. The skylounge pilothouse and flybridge style helm flow together with three spacious, serene staterooms and a private aft crew cabin, while abundant refrigeration capacity supports true long range cruising. Held within a fully transferable LLC for a seamless transfer, Seaquel is easy to inspect in Mission Bay, San Diego, and comes with a transferable slip, offering the rare combination of capability and luxury prized in a premium skylounge motor yacht.

DETAILED DESCRIPTION

Disclaimer

The details of this yacht are offered in good faith; however, no guarantee is made regarding the accuracy of the information or the condition of the vessel. This offering is subject to prior sale, change in price, or withdrawal from the market without notice. The information is presented as a convenience by the yacht broker to its clients and is not intended to constitute a direct representation of a specific yacht for sale.

Service work completed in March 2026

In March 2026 the yacht underwent a comprehensive service program that included new bottom paint and a PropSpeed application, replacement of rudder seals and renewal of thru-hull valves, and replacement of all house and starting batteries. Every piece of engine-room machinery was serviced and brought fully up to date, while the air-conditioning and ventilation system (HVAC) was completely overhauled and serviced and the stabilizer cooling system received professional attention. The exterior was given a full detail and a series of enhancements were completed, including new fenders, upgraded Smart televisions and Star Link connectivity, Sea Deck installed on the cockpit, Cal Deck and flybridge, custom railings for the swim step, a new electric grill installed on the Cal Deck, renewed canvas and reinforced railing on the skylounge deck, and a new canvas cover for the bow cushion. Systems upgrades include new fuel, water and bilge tank monitors, FLIR integration, a water maker and new underwater lights. Current recorded hours show the port generator at 1293 hrs and the starboard generator at 575 hrs.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
