## OVERVIEW

---

Commissioned and personally overseen by a single, fastidious owner, this yacht presents an extraordinary specification and has been maintained without budget constraints year-round. Stability is enhanced by SeaKeeper gyro stabilization, while propulsion and hotel power are backed by a twin generator package. Navigation and electronics are upgraded with the Garmin Diamond Package, and entertainment is delivered through a Fusion premium sound system. Practical upgrades include enhanced waste handling and a suite of comprehensive safety systems. The galley is appointed with a Miele package, and onboard water filtration provides chilled still and sparkling water on both the main deck and the flybridge. Thoughtful custom touches such as a storage trunk on the flybridge and in the aft open salon complement a bespoke main-salon layout featuring an extended bar countertop and an adjustable dining table in the salon (converts to lounge). A semi-displacement motor yacht with a flybridge, she blends the comforts of a luxury cruiser and the capabilities of an explorer yacht for long-range bluewater passages. An absolute must-see for buyers considering a 68' Sirena.
