OVERVIEW

Princess 68 "DANI" (2016), Malta flagged and presently berthed in Bodrum, Turkey, presents as an elegant flybridge motor yacht powered by low hour Caterpillar C18 engines. This refined planing GRP cruiser is equipped for comfortable Mediterranean cruising with stabilization, a hardtop flybridge, hydraulic swim platform and tender crane, while maneuvering is made effortless by both bow and stern thrusters. Navigation and onboard systems include a full Raymarine suite, an Onan generator and a watermaker.

Her lines conceal a sunlit, open plan interior: a saloon framed by sweeping windows, a fully appointed galley and four ensuite cabins accommodating eight guests, anchored by a generous full beam owner's suite; aft are crew quarters for two. Comfort and convenience are comprehensive, with air conditioning throughout, dishwasher, washing machine and an extensive entertainment system ideal for longer stays at anchor or extended coastal passages.

Measuring LOA 21.25 m with a beam of 5.38 m and a draft of 1.58 m (air draft 6.14 m) and displacing 37.5 t, she carries 4,100 L of fuel, 909 L of water and a 272 L holding tank. Deck fittings and extras include teak decking, electric winches, a hydraulic passerelle, tender and liferaft, cockpit table with cover, outdoor galley with induction hob and BBQ, twin refrigerators and a flybridge wet bar.

Privately owned and maintained by a professional crew, "DANI" is presented in excellent mechanical order and offered turn key for immediate viewing. Comparable models include the Sunseeker Manhattan 66, Fairline Squadron 68 and Azimut 72 Fly, yet few match Princess's build finesse and long term reliability. One of the smartest Princess 68 examples in the area—a rare chance in Bodrum for the Flybridge Motor Yacht / Luxury Motor Yacht / Mediterranean Cruiser enthusiast.
