OVERVIEW

2006 VIKING 70' SPORT CRUISER

"GRAND CRU"

Discover the allure of the 2006 Viking 70' Sport Cruiser, a highly coveted model crafted by two of the most prestigious names in the yachting world. This exquisite 70' Viking/Princess has predominantly sailed the pristine waters of the Great Lakes. Accommodating up to 8 guests across 4 luxurious staterooms, it also offers comfortable quarters for 2 crew members, complete with a private head and separate shower.

The current owner is eager to sell, and reasonable offers are welcome!

With only 2500 hours on her powerful 1360 HP MAN engines, which received a comprehensive 2000-hour service in March/April 2023, this yacht is in prime condition. Recent upgrades include 4 rebuilt turbos (April 2023), custom D'Angelo Marine exhaust risers (April 2023), and new batteries (January 2023). The air conditioning system has been serviced with a new raw water pump (January 2023), and the running gear has been meticulously dialed, balanced, and aligned (March/April 2023). Fresh bottom paint and Propspeed were applied in April 2023, and a three-step exterior detail is scheduled post-yard period 2023.

Enhancements include an aftermarket hydraulic swim platform with teak, serviced hydraulics (January 2023), and newly installed teak decks (March 2023). The yacht boasts upgraded Raymarine electronics and a superior Fusion/JL Audio sound system. A full-size Sub-Zero refrigeration unit ensures ample storage for provisions.

The interior cabinetry, headliners, and wall coverings are in impeccable condition, as are the upgraded soft goods both inside and out, including exterior covers. Hydraulic bow and stern thrusters enhance maneuverability, and the Sea Recovery watermaker was serviced in February/March 2023.

This yacht is currently available for sale, offering a unique opportunity to own a piece of maritime luxury. Explore yacht sales in the current boat location and seize the chance to buy a yacht that promises elegance and performance on the water.
