## OVERVIEW

---

El Rey is an exceptional example of the 2015 Sunseeker 68 Sport Yacht, marrying spirited performance with refined elegance and uncompromising luxury. The Sunseeker name remains synonymous with exacting craftsmanship, progressive design and sumptuous onboard appointments. Arranged with a galley-down layout and offering three staterooms—each appointed with its own ensuite—she boasts premium finishes and state-of-the-art amenities throughout, creating a floating sanctuary where meticulous detail meets effortless comfort. As a performance motor yacht, she delivers exhilarating passage-making while providing the plush, resort-caliber living spaces that define her class.

## DETAILED DESCRIPTION

---

### El Rey

---

El Rey is a distinguished 2015 Sunseeker 68 Sport Yacht that harmonizes exhilarating performance with refined elegance. Built by a marque that has redefined luxury motoring for more than half a century, this yacht carries Sunseeker's signature blend of cutting-edge engineering and sumptuous design, its sleek silhouette both improving efficiency and creating an arresting presence from every angle. With the galley positioned on the lower deck, a three-stateroom arrangement each with an ensuite head, premium finishes and modern conveniences throughout, the interior balances gracious comfort with contemporary sophistication.

The main deck is organized as an airy salon awash in natural light, where an ample lounge area flows effortlessly into a dedicated dining space, forming an inviting environment ideal for relaxed entertaining, intimate evenings, or quiet appreciation of the horizon. Attention to detail is evident in every surface, creating an atmosphere that is both welcoming and distinctly upscale.

Owner and VIP suites have been enhanced with new sumptuous headboards, luxurious fabrics, expansive mirrors that magnify light and space, and bespoke built-in furnishings, complemented by a capacious walk-in wardrobe and carefully integrated display shelving. Externally, fresh upholstery lends a crisp, modern accent to the vessel's already striking profile. Al fresco living is elevated by a well-appointed flybridge with a grill and wet bar, a generous lower-deck dining area equipped with a built-in bar, refrigerator and storage, and an expansive aft sun lounge designed for repose. The aft dining arrangement offers an extendable table, wet bar, refrigerator and a sizable sunpad, while the bow is fitted with a broad sunpad complete with drink holders and storage lockers. Indoor and outdoor social spaces are intimately

connected, supported by a tender garage, underwater lighting, a hydraulic passerelle, swim ladder, Bimini top and an aft cockpit awning, with a dual-color LED illuminated name on the transom providing a distinguished finishing detail.

Underway, El Rey is propelled by MTU 8V 2000 CR 1250 engines, with precise maneuvering aided by bow and stern thrusters, trim tabs and Sleipner fin stabilization, and reliable auxiliary power supplied by an Onan generator. The combination ensures composed handling, comfortable passages and confident control in a variety of conditions.

The galley-down layout is appointed with high-gloss wood joinery, Miele and Bosch appliances and black granite countertops, separated when desired by a sliding door for discretion. Culinary capabilities include a Bosch cooktop, Vitrifrigo refrigerator/freezer, a Waeco cold box in the aft cockpit, Miele dishwasher, washer/dryer and a wine cooler. Luxurious interior appointments such as wenge wood flooring, white sofas, polished chrome accents, a high-gloss dining table with bench seating and a large credenza with glass storage run throughout, unifying the décor with a rich, continuous aesthetic.

Sleeping accommodations consist of three staterooms, each with its own ensuite bath, while crew are accommodated in dedicated quarters featuring a single berth and head, assuring privacy and comfort for both owners and guests. Systems for navigation and onboard entertainment are thoughtfully specified, including autopilot, GPS, radar and depth sounder, plus a Samsung flat-screen TV on a lift in the main salon and a Fusion audio system delivering sound throughout the yacht.

Recent maintenance and upgrades speak to meticulous ownership: a soft-goods refit in the lower stateroom, an exterior cushion refit completed in May 2026, an AC descale service in May 2026, and Fire Certification issued in May 2026. These enhancements preserve El Rey's elegant presentation and operational readiness for immediate enjoyment.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
