## OVERVIEW

---

The GT 70 boasts a hull crafted with resin infusion, ensuring an optimal balance of strength and weight. Its hull design features a sharp entry, allowing it to slice through waves effortlessly. Powered by Caterpillar C-32 B engines, equipped with CJR propellers and innovative twisted rudders, this yacht can reach speeds close to 40 knots, with a comfortable cruising speed of 34 knots. It holds its own among the elite in challenging conditions. The expansive cockpit, complete with an air-conditioned mezzanine and SeaKeeper stabilization, promises a premium experience for both boating and fishing enthusiasts.

Inside, the GT 70 offers an impressive amount of space compared to its rivals, featuring five staterooms and four bathrooms. The interior exudes luxury, with high-gloss mahogany joinery complemented by neutral beige whisper walls. The galley and bathrooms are adorned with exquisite beige granite countertops, enhancing the yacht's sophisticated ambiance. If you're considering a yacht for sale, the GT 70 in its current boat location is a prime choice for those looking to buy a yacht that combines performance with elegance.
