OVERVIEW

CRAFTED TO PUSH BOUNDARIES

Velocity meets sophistication.

Energy and artistry.

Reaching speeds up to 50 knots with over 120 bespoke options.

The latest INsix harmonizes flawlessness, outstanding performance, and luxury.

For those eager to defy boundaries.

The design mirrors that of an open yacht, featuring a spacious open hard-top that leads to a substantial glass door, seamlessly connecting the below-deck areas. When open, it creates a vast, uninterrupted space blending the exterior and interior.

On the technical front, it offers a choice between twin MAN 1,200hp or twin MAN 1,550hp diesel engines, both utilizing the cutting-edge Top System surface drives. Enhanced by the Easy-trim system and joystick control, this ensures not only superb high-speed capabilities but also unmatched low-speed maneuverability for a surface-driven vessel.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies the pinnacle of luxury and innovation.
