DETAILED DESCRIPTION

68' Sunseeker Predator 68 'ZAZA'

Exuding style, performance, and luxury, the 2013 Sunseeker Predator 68 ZAZA is a standout yacht that combines sleek, sporty lines with a fully refitted, high-end interior to create an effortlessly elegant package. Her black and grey exterior turns heads while upgraded MTU engines showing 1,200 hrs form the heart of her capability, paired with Seakeeper stabilisation, bow and stern thrusters and a carbon fibre dash with Bluetooth remote control to provide precise, confident handling and a smooth, composed ride along the Australian coastline. Days on the water are simple and fun thanks to a Williams 325 jet tender stowed in a hydraulic garage and a full cockpit wet-bar with BBQ and ice-maker, while underwater blue lighting, low-level LED exterior lighting, teak side decks and teak decks and a carbon fibre rear awning create an inviting open-air entertaining environment. Inside, a light-filled saloon beneath a panoramic hydraulic sunroof becomes the social centre, enhanced by LED lighting, a Samsung smart TV, Apple TV, Bose surround sound and upgraded Harmon/Kardon audio throughout, and a custom galley equipped with Miele appliances, new Vitrifrigo fridges and a Kohler generator supports longer stays at anchor. The thoughtful layout includes walk-in robes and a crew cabin with a day-head for practical, stylish living, and every finish speaks to craftsmanship—from Bentley-stitched Besenzoni helm seats and purposeful carbon fibre accents to fresh exterior upholstery and premium fabrics. Priced to sell and loaded with features and toys, ZAZA is a summer-ready Predator 68 that invites you to entertain, cruise the harbour or head up the coast—an exciting opportunity on the Gold Coast.
