## OVERVIEW

---

The BGX70 made its grand debut in 2019 at the Cannes Yachting Festival, where it was honored with the "Most Avant-garde Yacht" award at the World Yacht Trophies, showcasing the exceptional craftsmanship of the renowned Italian shipyard, Bluegame.

With its sleek, angular design and striking lines, complemented by windows that mirror the hull's color, this yacht exudes a unique personality.

The cockpit features a stylish L-shaped sofa paired with a table, while the expansive foredeck boasts generous seating areas with sun loungers and adjustable tables. Retractable awnings at both the stern and bow provide shade, creating an inviting atmosphere for relaxation.

On the main deck, you'll find a beautifully designed enclosed saloon that embraces an open-concept layout. The central control station is conveniently positioned, with the galley occupying the entire starboard side, and a chic lounge/dining area featuring a contemporary L-shaped sofa and dining table.

The lower deck is thoughtfully arranged with three cabins and three bathrooms. The spacious master suite includes a full-size double bed, a dedicated office space with a desk, and a wardrobe, while the VIP cabin is located at the bow.

Additionally, the lower deck offers a cozy salon complete with a corner sofa, freestanding armchairs, and a retractable TV. The fully sliding glass doors seamlessly connect the salon to the expansive beach club, creating a harmonious space for relaxation with stunning sea views. The beach club is also equipped with a wet bar and grill, perfect for preparing your favorite meals and drinks in an outdoor setting.

Every area of the BGX70, both inside and out, is designed to maximize space and functionality, making it an exceptional choice in the realm of yacht sales in the current boat location. This yacht truly transcends conventional categories,

offering a refreshing and innovative experience for those looking to buy a yacht.
