OVERVIEW

The LADENSTEIN 72 is an elegant motor yacht, single owner from new and presented with meticulous care. This flybridge luxury cruiser welcomes guests with four generously proportioned staterooms and four en suite bathrooms, complemented by a dedicated crew cabin. Life on deck is a study in refined leisure, featuring a flybridge jacuzzi, a hydraulic swim platform and the assured handling afforded by a bow thruster.

Both engines and hull are subjected to scheduled annual servicing, and a complete, up-to-date archive of invoices attests to the careful maintenance history. We invite you to come aboard for a personal viewing and experience the vessel firsthand.

Recent works carried out to preserve performance and appearance include windshield resealing; installation of new engines and new service batteries; hydraulic system servicing; winch servicing; transfer pump renewal; fresh-water pump replacement; engine valves renewed in 2020; new seacocks fitted in 2023; and superstructure polishing completed in 2023. A refined flybridge motor yacht for discerning owners seeking a sophisticated, performance-oriented cruiser.
