DETAILED DESCRIPTION

Overview & highlights

Out of the Blue is a superb 2021 Bluegame BGX70 that reimagines luxury motor yachting with an inspired mix of innovative architecture, refined comfort and remarkable flexibility. Presented in impeccable condition by her original owner, she carries the unique distinction of being the only BGX70 worldwide fitted with a bespoke four cabin configuration, featuring three en suite guest suites and a dedicated crew cabin. The yacht's pioneering layout fluidly connects the lower deck main salon to an expansive, oversized beach club, while the upper deck is crowned by a fully enclosed panoramic deckhouse that houses the galley and dining area and delivers uninterrupted 360 degree ocean vistas. Propelled by twin Volvo Penta IPS1350 units with low hours, supported by twin generators for true autonomy at sea and stabilized by a Seakeeper gyro, Out of the Blue achieves a sublime balance of spirited 30 knot performance and serene onboard comfort. Offered turnkey and ready for immediate delivery, she represents a rare, move in ready opportunity.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

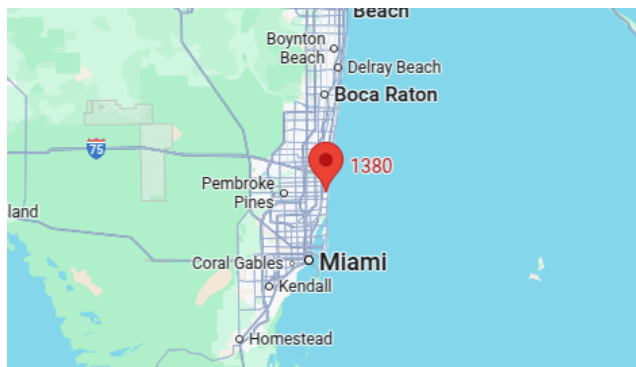

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
