## OVERVIEW

---

Showcasing the summit of modern Italian yacht design, the 2024 Azimut S7 fuses speed, refinement, and progressive styling into a single, harmonious statement. Priced over a million dollars below any comparable S7 worldwide, it offers a rare opportunity for the discerning buyer within the luxury motor yacht, sport yacht, and express cruiser arenas. Propelled by triple Volvo Penta D13 IPS 800s (305 hours), the yacht answers with thrilling acceleration and buttery-smooth control, while the IPS pod drives and a responsive bow thruster make precise close-quarters handling effortless. Onboard systems ensure calm luxury and steadfast stability thanks to a Mase 24kW diesel generator and Seakeeper 18 stabilization, and the Garmin Platinum electronics suite brings intuitive navigation, monitoring, and systems command to your fingertips.
