OVERVIEW

TOPAZ presents a rare opportunity to own a 72 ft Majesty flybridge motor yacht that belies her length with unusually generous volume and superyacht styling. Still covered by the shipyard warranty, she offers the reassurance of low maintenance ownership alongside contemporary interiors that marry refined taste with everyday comfort. Configured for hire and drive operations, TOPAZ is commercially certificated to carry up to 12 guests and, with minimal adjustment, can be brought onto a full commercial survey—making her equally suited to private owners, charter entrepreneurs, or investors seeking strong returns.

She excels as a family cruiser, with expansive, comfortable sleeping and living spaces designed for weekends away or extended escapes. The salon is elegant and inviting, flowing into an open galley enhanced by a separate crew galley and an aft commercial grade galley to ensure efficient service. A standout feature for a yacht of this size is the hydraulic bathing platform, which simplifies water access and tender handling, while the broad foredeck lounge, fitted as a forward bow dinette with both a Bimini and an umbrella option, provides an ideal setting for sunbathing, socialising, and uninterrupted vistas.

TOPAZ blends practicality with performance, powered by twin MAN V12 engines producing 1,550 hp and with approximately 480 engine hours recorded, complemented by a Kohler generator with about 1,500 hours. Cruising is made effortless by bow and stern thrusters, electric stabilizers, and a wireless docking remote, while onboard conveniences include a watermaker/desalinator, teak decking, a hardtop with integrated LED lighting, a remote controlled searchlight, CCTV, and a JL Audio Bluetooth sound system. The interior harmonises light oak joinery with walnut timber flooring for a warm, contemporary finish. Accommodation for three crew is provided, and laundry is comprehensively addressed with a Miele washer/dryer as well

as a separate Miele washer and a separate dryer. Additional leisure and service equipment includes a Teppanyaki grill and electric stabilisers to enhance comfort at anchor.

Additional Options:

Twin MAN V12 (1550 hp), approx. 480 hrs

Kohler generator, approx. 1,500 hrs

Watermaker/desalinator

DETAILED DESCRIPTION

Topaz for sale

For sale: Majesty 72 — a twenty-two metre luxury yacht that marries refined design with practical family-oriented functionality, crafted to deliver effortless entertaining and relaxed cruising. This Majesty 72 offers four spacious guest cabins including a full-beam owner's stateroom, a forward VIP and two versatile twin cabins that convert to king-size, while two generous crew cabins ensure everyone on board is comfortably accommodated. Inside, an open-plan saloon finished with lavish materials flows seamlessly aft to a vast flybridge created for sociable gatherings and forward to a bow seating area devoted to relaxation, complemented by a modern upper galley and a host of thoughtful details that elevate life on board whether sharing unhurried family time or hosting in style. Beyond her poise and polish, the Majesty 72 represents a compelling investment: she holds 4C survey certification and is ready to enter service and generate income, combining personal enjoyment with smart asset performance. Underway, performance is confident and rewarding, with twin 1,550 HP MAN engines delivering speeds up to thirty-one knots and a substantial 5,800 L diesel tank that equips her for long-range coastal cruising, uniting capability and elegance with reassuring range. A suite of premium options completes the picture: V12 MAN powerplants rated at 1,550 hp each show just 480 hours and are supported by a KOHLER generator with 1,500 hours, while comfort and control are enhanced by electric stabilisers, bow and stern thrusters and a wireless yacht remote; a hardtop with LED lighting, teak-laid decks, a remote searchlight and a forward bow dinette shaded by both Bimini and umbrella underscore her outdoor versatility. The interior is defined by light oak timber with walnut timber flooring and practical luxury abounds with a Miele washer/dryer plus separate Miele washer and dryer, a

commercial-grade galley aft, CCTV, a teppanyaki grill, spacious sleeping for three crew and an immersive JL Bluetooth Audio system. For days at anchor, an enticing collection of toys and tenders awaits — an Aquabana inflatable mat/pad, an Aquabana inflatable pool with net, inflatable stand-up paddle boards, full snorkeling equipment, a wakeboard, water skis and a Flite Board — everything you need to turn every anchorage into your private resort. This is more than a yacht; it is the opportunity to own a stylish, high-performing Majesty 72 and enjoy the added benefit of income generation.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
