## OVERVIEW

## 2010 72' Luxury Motor Yacht — France Poised and powerful, this 72-foot luxury motor yacht blends timeless European elegance with purposeful performance. Built in 2010 and lying in France, she presents an alluring profile that opens to expansive living spaces, crafted for effortless Mediterranean days and refined evenings at anchor. Her broad 17-foot beam creates a notably generous salon, bathed in natural light and finished with premium materials for a calm, contemporary ambiance. Seamless flow connects the lounge to a sociable aft cockpit, ideal for alfresco dining, while the foredeck invites sunlit relaxation. Below, serene accommodation awaits—private, beautifully appointed, and designed to pamper guests over extended stays without compromise. Constructed in robust fiberglass with GRP decks, she offers a confident, quiet ride and the low-maintenance practicality discerning owners value. A shallow draft of approximately 4.9 feet unlocks picturesque bays and chic harbors that deeper yachts must admire from afar, turning coastal exploration into a daily pleasure. Performance is delivered by quad Volvo Penta inboard diesel engines, combining dependable engineering with smooth, responsive handling. Whether slipping into a secluded anchorage or stretching out for a longer passage, the balance of power and poise is unmistakable. A substantial fuel capacity of roughly 792 gallons supports longer itineraries, while a water capacity of about 211 gallons keeps life on board comfortable and self-sufficient between ports. Designed for luxurious living on the water, the yacht's social spaces are as inviting as they are versatile—perfect for entertaining, unwinding, and savoring the rhythm of life at sea. From sunrise coffee on deck to sunset aperitifs under a pastel sky, every moment feels elevated. ### Scuderia - Absolute 70 STY

---

This Absolute 70 STY stands out for comfort and ease of use, pairing advanced, functional technologies with a clear focus on performance and liveability. Built with charter in mind, it has set reliable standards in its class while remaining an inviting choice for private cruising.

Below deck, three inviting cabins—including an owner's and a VIP—feel open and bright thanks to sweeping windows that bring in generous natural light. The atmosphere is refined yet relaxed, with fine woods, steel, glass, and carefully applied varnishes reflecting the hallmark of Italian design.

On deck, the exterior spaces are generous and practical, offering real room to move and unwind. The saloon flows into the cockpit to create a single, sociable entertainment area. A retractable roof over the saloon and a second hardtop above the cockpit can both be opened, bathing the space in light and enhancing the sense of openness.

Everyday versatility comes naturally, with a grill and bar set conveniently at the level of the cockpit sofa for easy alfresco moments. At the stern, a tender storage bay pairs with a hydraulic platform to make water access and launch simple and enjoyable.

### Scuderia — Absolute 70 STY

---

Эта Absolute 70 STY выделяется комфортом и простотой управления: продуманные технологии сочетаются с акцентом на ходовые качества и удобство жизни на борту. Созданная с учётом charterной эксплуатации,

она задавала уверенные ориентиры в своём классе и остаётся привлекательным выбором для личных круизов.

Ниже палубы — три уютные каюты, включая каюту владельца и VIP; панорамные окна наполняют их светом и создают ощущение простора. Атмосфера спокойная и аккуратная: ценные породы дерева, сталь, стекло и тщательно нанесённые лаки подчёркивают узнаваемый итальянский стиль.
