OVERVIEW

Underpinned by twin MAN VB-1200s, this elegant flybridge motor yacht and sport cruiser delivers confident, responsive control through joystick steering, Humphree interceptors and bow/stern thrusters, while the helm is fitted with Raymarine Axiom electronics complete with radar, autopilot, AIS and cameras. A 22.5 kW genset, a 240 l/h watermaker and full air-conditioning that extends even to the skipper's cabin allow true long-range comfort.

The interior and deck appointments marry luxury with practicality — bidet functions, a wine chiller, dishwasher, washer/dryer, multiple fridges, warm teak decks and a hydraulic bathing platform — and entertainment is served via a 50" TV with Bose and Fusion audio. The flybridge is appointed with a grill, fridge and icemaker, and the yacht is delivered with a Capelli 3.40 tender powered by a Yamaha 40 HP.
