## OVERVIEW

---

Impeccable condition and a versatile platform define this graceful SL72, whose interiors were imagined by celebrated designer Marty A. Lowe to evoke a calm, welcoming atmosphere that heightens the pleasure of life at sea. The yacht offers four cabins (1 master, 1 double, 1 twin, 1 single) arranged to maximize comfort and privacy; the generous master stateroom occupies a central position, two twin cabins lie to either side and a VIP stateroom is placed further forward, with each of the four staterooms appointed with its own ensuite head.

The layout favors an open, flowing living environment: the salon dissolves into an airy upper-level dining and lounge, creating a seamless sociable heart to the vessel. The galley has been conceived for flexibility, remaining open to the main salon or closing discreetly behind a bespoke hydro-electric tempered glass privacy panel, a thoughtful touch for both intimate family moments and larger-scale entertaining.

Exterior spaces are organized for sunbathing, al fresco dining and convivial gatherings, crowned by an expansive flybridge that invites guests to entertain while savoring the sea breeze. Practical refinements include the removal of the flybridge davit and relocation of the tender to the swim platform, where a hydro-electric lift provides effortless handling.

Every finish and furnishing has been carefully selected to celebrate the spirit of the ocean, combining refined aesthetics with practical functionality. This is a rare opportunity for those seeking a yacht in the vessel's current location, with local yacht sales featuring this exceptional craft. Explore this stunning SL72 for sale and discover a sublime balance of style, comfort and seagoing capability.
