OVERVIEW

Owners Notes

This exquisite yacht, currently available for sale, boasts a range of luxurious features. The hydraulic swim platform and electric gangway provide easy access to the water, while the stern shower and integrated bathing platform offer comfort and convenience. Entertainment is top-notch with a TV antenna, CD player, and a home cinema system, complemented by a satellite TV setup and a blue-ray player. The teak deck and stainless steel window frames add a touch of elegance, and the yacht is equipped with a cooler box, radio, and underwater paint. Additional amenities include a dryer, fender, flatscreen television, and a washing machine. The cockpit is well-appointed with a table, carpet, and speakers, and the tender garage houses a dinghy with an engine. The yacht also features hydraulic trim tabs, a sunbathing area at the bow, and an array of tools for maintenance.

Accommodations

This luxurious vessel offers accommodations for guests and crew in four cabins. Each cabin is equipped with a TV, satellite, and Google TV, while the twin cabins also feature XBOX consoles. All cabins have en suite showers with toilets and bidets, ensuring privacy and comfort. The entire yacht is fully air-conditioned, and a plush carpet overlay adds to the opulent atmosphere.

Galley Equipment

The galley is fully equipped with two refrigerators, a freezer, and an electric hot-plate. A coffee machine, oven, and extractor fan make meal preparation a breeze, while a sink and crockery complete the setup.

Electronics and Navigation Gear

Navigate with confidence using the yacht's comprehensive electronics suite, which includes an echo sounder, radar, and GPS. A VHF radio, map plotter, and compass ensure precise navigation, while a weather radio receiver and radar

reflector provide additional safety. The yacht is also equipped with a fish-finder, autopilot, and weather fax receiver.

Deck and Hull Equipment

The yacht's deck and hull are outfitted with a generator, solar equipment, and electrical capstans at both the stern and bow. Air conditioning and heating systems ensure comfort in all weather conditions, while a bilge pump, pressure gauge, and bilge alarm provide safety. The yacht also features a shore supply, battery charger, and seawater processing plant. Additional equipment includes a windscreen wiper, rudder, and a warm water system. The yacht is powered by a diesel fuel generator and features a searchlight, water pressure system, and position flares. An electric anchor windlass and automatic bilge pump complete the package.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that epitomizes luxury and elegance.
