OVERVIEW

HT HOOK is a distinguished 72' Merritt custom convertible Sportfish that blends pace, comfort, and understated elegance. Arranged with four staterooms and three heads, she accommodates seven guests with ease, making her an ideal platform for extended cruising or tournament weeks spent with family and friends aboard a luxurious fishing yacht.

In 2019 she underwent a comprehensive refit at Merritt's, receiving new soft goods, enhanced countertops, and refined Miele appliances that modernized her interior without sacrificing classic lines. At the same time a Furuno CHS-8LM2 Omni Sonar was installed and the 3,000-hour engine service was completed, sharpening her credentials as a true bluewater sportfishing convertible. Twin Seakeeper 9 gyro stabilizers were added to deliver exceptional comfort both at rest and underway.

Beneath her decks she is propelled by twin 1,800 hp Caterpillar C32 ACERT engines and has been cared for with an open-checkbook approach, instilling confidence for serious offshore use. The latest 1,000-hour service was finalized in February 2025, when both port and starboard exhaust risers were replaced by D'Angelo, ensuring reliable operation for seasons to come.

In August 2024 Southern Craftsman performed a full renewal of her teak deck and covering boards, enhancing durability while preserving the timeless Merritt aesthetic. From commanding performance and gracious accommodations to a meticulous service pedigree, HT HOOK is turnkey and ready for her next passage—equally suited to tournament Sportfishing, life as a custom convertible, or cruising as an able offshore motor yacht.
