Имея впечатляющую длину в 73' 4" и просторную ширину корпуса 18', ABOUT TIME предлагает выдающийся объем и по настоящему просторные жилые зоны на всех палубах. Оснащённая двумя двигателями CAT C32 мощностью 1,600HP каждый, она демонстрирует решительную ходовую динамику при заметной экономичности топлива; в сочетании со знаменитой конструкцией корпусов Princess и топливным баком 5,000 литров это судно идеально подходит для скоростного, дальнего синего плавания. Войдя внутрь, вы сразу ощутите мастерство отделки: интерьер в классическом стиле, отделанный богатым высокоглянцевым деревом, дополнен премиальной кожаной мебелью, европейской бытовой техникой и современными развлекательными системами. Просторные иллюминаторы и фирменные порт-лайты заливают внутренние помещения естественным светом, создавая светлую и утонченную атмосферу по всему судну. Складные из нержавеющей стали двери широко открываются в просторный кормовой кокпит с мокрым баром, органично объединяя внутренние и наружные пространства.
