OVERVIEW

The Sunseeker Manhattan 70 melds lavish comfort, brisk performance, and expansive living spaces into a refined flybridge motor yacht, her broad beam and elegant silhouette promising graceful passage and celebrated bluewater handling for effortless coastal cruising and sophisticated entertaining. She presents low hours—approximately 885—on twin 1,360 hp MAN diesels, delivering confident, responsive power, while a Williams 385 JetTender is stowed on a hydraulic swim platform for simple, swift launch and recovery when shore excursions call.

Inside and out, the yacht is configured for relaxed luxury and practical use: an upgraded flybridge bimini with new clears (2023) and a new flybridge BBQ extend al fresco comfort; a four-cabin arrangement includes a full-beam master amidships, a forward VIP, a starboard double, a port twin and an aft-access crew cabin, accommodating eight plus crew with tasteful appointments throughout. Custom extra refrigeration supports extended passages, larger gatherings and sport fishing, and a Yacht Controller fitted in 2023 enhances docking finesse and close-quarters maneuverability—an exceptional choice for family cruising or premium charter.

Keywords: flybridge yacht, motor yacht, luxury cruiser, bluewater cruiser, performance yacht, family yacht, charter-ready.
