## OVERVIEW

---

Experience the refined blend of strength and grace aboard the Ferretti Yachts 720, a 22-meter luxury motor yacht fashioned to excite on the water.

Conceived by designer Filippo Salvetti, this contemporary flybridge vessel fuses Italian craftsmanship with athletic lines and bespoke, high-end finishes, projecting an effortless and elegant presence from every angle.

Inside, a luminous salon opens seamlessly to a sleek, open galley, forming a convivial living area ideal for entertaining and relaxation. Four sumptuous staterooms, three of which feature en suite bathrooms, accommodate up to eight guests in tranquil comfort, while an extensive array of options enhances privacy and onboard convenience. Above, the flybridge—capped by a fixed glass hardtop—creates an airy, modern lounge with panoramic sightlines, and a hydraulic submersible aft platform streamlines water access, swimming and tender operations.

On the water, performance and handling are elevated by substantial upgrades: twin MAN V12 engines rated at 1400 hp each, an integrated joystick that synchronizes the engines with the bow thruster, an additional stern thruster for pinpoint maneuvering, a Dynamic Positioning System for effortless station keeping, and a Seakeeper gyro stabilizer that delivers exceptional stability at rest. Enlarged multifunction displays at both the main helm and flybridge improve situational awareness, while a Starlink antenna provides fast, reliable connectivity. An AGILIS 355 tender (140 hp) completes the package.

Meticulously maintained by her owner and crew, this planing hull performance cruiser presents as a sophisticated sport yacht and family cruiser in turnkey condition, ready to embark on your next voyage.

## Ferretti Yachts 720 Siri Linn

---

Discover a seamless fusion of luxury and performance aboard the Ferretti Yachts 720 Siri Linn, a twenty-two meter masterpiece conceived by Filippo Salvetti. Its modern Italian aesthetic, taut sporty lines and exquisite high-end finishes create a yacht that is as striking at anchor as it is exhilarating underway. Inside, a luminous, generously proportioned salon flows effortlessly into a contemporary galley, forming a sociable heart for life on board; four luxurious cabins, including three with private bathrooms, welcome up to eight guests in serene comfort, while a comprehensive suite of options elevates every moment with refined ease. On deck, the flybridge crowned with a fixed glass roof invites open-air lounging in all-day comfort and sets the stage for relaxed entertaining with expansive views, while a submersible aft platform transforms sea access into a graceful ritual that simplifies tender operations and water activities. Underway, performance and control are amplified by a suite of purposeful upgrades: twin MAN V12 1400 HP engines deliver confident power; a joystick system for engine and bow thruster control together with a stern thruster make close-quarters maneuvering intuitive; a Dynamic Positioning System holds position with precision; and a Seakeeper gyro-stabilizer keeps the ride remarkably composed. Upgraded displays at the main helm and on the flybridge sharpen situational awareness, while a Starlink antenna ensures robust connectivity far from shore. Completing the package, the yacht is offered with an AGILIS 355 tender rated at one hundred forty HP; meticulously maintained by her owner and crew, this Ferretti 720 is presented in impeccable condition and is unequivocally ready to cruise.
