DETAILED DESCRIPTION

Overview

The NAM yacht is a modern masterpiece where sporty hull dynamics meet a thoughtfully articulated interior volume, delivering a vessel equally at home on lively day cruises and extended multi-day passages, its clean and sleek lines forming a contemporary and elegant exterior profile that will command attention in any harbor; the navigation console is comprehensively equipped with chart plotting, GPS and full monitoring and controls for engines and generators, including commands for bow and stern thrusters and an integrated fire suppression system to ensure safety and effortless control, while inside well-upholstered seating offers comfortable perches with excellent visibility and a large cockpit designed for relaxation and entertainment, centered on a spacious sofa with a folding table and a cabinet concealing a retractable TV, and a layout that allows a seamless transition to the swimming platform for easy access to the water; propelled by low-hours MAN engines capable of speeds in excess of forty knots and benefitting from hull lines derived from the iconic Drago offshore motor yacht, the NAM features three well-appointed ensuite cabins and full air conditioning throughout, guaranteeing privacy, comfort and a pleasant onboard environment in all conditions.

Salon

The salon is an elegant refuge where modern entertainment meets refined comfort, appointed with a Teklio LED TV screen that delivers high-quality viewing and enhances the onboard experience, allowing guests to enjoy films and shows within a sophisticated interior ambience that complements the yacht's overall luxury.

Dining area

The dining area is thoughtfully conceived as an inviting and intimate space, arranged around a dining table for six people to create memorable shared meals and effortless socializing, whether hosting formal dinners or relaxed gatherings, and it seamlessly integrates with the surrounding interior to make every onboard dining experience both comfortable and memorable.

Galley

The galley is a chef's dream, fitted with premium appliances to ensure a flawless culinary experience at sea, featuring an induction cooktop by Candi for precise and efficient cooking, a Premier PT FR 32 freezer and a Premier PT F 47B refrigerator and freezer combination for ample provisioning, a Faber hood for effective ventilation, and an oven by Smeg to expand culinary possibilities, all arranged to support effortless meal preparation and service in a well-appointed and practical space.

Entertainment equipment

The yacht is equipped with state-of-the-art entertainment equipment designed to deliver a personalized experience to every guest, with each stateroom fitted with its own entertainment amenities so that private viewing and listening can be enjoyed in comfort and privacy, enhancing the onboard lifestyle with convenience and discreet luxury.

Communication/navigation equipment

The yacht carries an advanced communications and navigation suite centered on the Raymarine e120 plotter for precise chart plotting, complemented by the

Geonav 11cnet echosounder for detailed depth information, the Simrad Eq32 radar for enhanced situational awareness and the VHF Shipmate Rs8300 for reliable voice communications, while the Simrad Robertson ap20 autopilot provides effortless course management and the Riviera Whitestar compass supplies accurate directional reference, together delivering confident, precise and secure navigation on every voyage.

Bridge deck

The bridge deck is engineered for operational efficiency and ease, featuring sophisticated anchoring systems fore and aft, with a Quick Anchor Windlass at the bow equipped with remote control for effortless and precise anchoring operations and a Lofran Vertical Windlass at the stern to ensure dependable anchoring performance, both systems contributing to the yacht's overall safety, stability and ease of handling.

Flybridge

The flybridge blends innovation and comfort, crowned by a hardtop with an electrically controlled opening mechanism that offers effortless adjustment to sun and shade, providing protection when required and an open-air experience when desired, the smooth electric operation enhancing both the aesthetic appeal and the enjoyment of leisure time aloft.

Aft deck

The aft deck is conceived as an outdoor living space that combines functionality with leisure, outfitted with an induction cooktop by Nardi for efficient open-air cooking, a refrigerator by Waeco to keep refreshments close at hand and an Isotherm icemaker to ensure chilled drinks are always available,

together creating an inviting alfresco area ideal for entertaining or relaxed dining while enjoying sea views.

Engine room

The engine room is the heart of performance, housing two MAN D2842LE40 inboard diesel engines each rated at 956 kW, built in 1999 and both recorded at 1050 hours of operation as of 18 November 2024, reflecting careful maintenance and readiness, a propulsion package that delivers robust power and a smooth, reliable ride for demanding offshore conditions.

Electrical equipment

The yacht's electrical system is built for dependable power management, centered on an Onan generator delivering 18 kW with only 400 hours logged as of 18 November 2024, complemented by a Paguro 9000 generator providing an additional 8.5 kW, together forming a resilient and capable generation suite to support all onboard systems and maintain comfort and functionality without compromise.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
