OVERVIEW

Now available for purchase, this exquisite yacht presents sumptuous accommodation for up to eight guests across four elegant double cabins, complemented by three well-appointed bathrooms and a double crew cabin positioned aft. The expansive flybridge is a crowning feature, where a stylish U-shaped sofa and two foldable chairs curl around a dining table, and a wet bar—complete with fridge, sink, and grill—invites leisurely refreshments; the aft portion of the flybridge remains deliberately open to accommodate versatile furniture arrangements. The helm is comprehensively equipped for seamless navigation. Aft on deck, the cockpit provides a comfortable sofa and table with four foldable chairs for alfresco dining, while the bow offers additional seating, a generous sunbed and a retractable sun cover for ultimate relaxation. Within, the saloon is appointed with plush seating facing a TV and a spacious dining table set beside a fully equipped open galley and an interior helm station. The main cabin stretches the full beam of the yacht and features a walk-in wardrobe and a generous bathroom. The VIP cabin at the bow enjoys a double bed and private bathroom, and two further guest cabins each offer two single beds and share a bathroom. Located in a prime berth, this yacht is an exceptional opportunity for those seeking to buy and revel in the pinnacle of maritime luxury.

DETAILED DESCRIPTION

2023 Ferretti 720

The 2023 Ferretti 720 fuses Italian design excellence with effortless performance and serene comfort, presenting a yacht that looks as refined as it feels at sea. Measuring 22.30 m in length with a 5.70 m beam, this flybridge motor yacht follows a classic Ferretti layout with four double guest cabins and an aft crew cabin, accommodating up to eight guests plus crew in true privacy and luxury. Twin MAN V12 engines rated at 1400 HP each on shaft propulsion deliver confident cruise speeds in the high twenty-knot range and a top speed around thirty-two knots, all while maintaining the quiet composure and poise expected of the marque. Above, a spacious flybridge sets the tone for open-air living with a hard top fitted with shading blades, a wet bar equipped with refrigeration and a grill, and generous seating and lounging zones ideal for sunning or evening cocktails. On the main deck, the salon and fully equipped galley flow seamlessly into the cockpit entertainment area, creating a sociable axis from bow to stern that invites effortless gatherings. Below, the accommodation is anchored by a full-beam master suite with a walk-in wardrobe and en-suite bathroom, complemented by a forward VIP cabin with its own en-suite and two guest cabins with twin berths and private bathrooms, ensuring comfort for every guest. Premium electronics elevate control and safety with multifunction displays, autopilot, radar, AIS, and additional control stations for flexible handling. On deck, rich teak underfoot and a swim platform with upgraded lifting capacity make launching water toys and the tender effortless, while bow seating, thoughtful shading, courtesy lighting and underwater lights enrich every evening at anchor. A Williams 345 Sportjet tender is included, and thoughtful domestic amenities — ample refrigeration, a dishwasher, washing machine and dryer, an ice maker, and luxury

audio visual systems throughout — ensure every passage is as indulgent as it is effortless.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
