## OVERVIEW

---

Princess Y72 "SOLOMON" — 2025 — 90 engine hours

Location: Trogir, Croatia • Asking: €4,000,000

Delivered new to her current owner direct from Princess Yachts in Plymouth in summer 2025 and still under factory warranty through 2027, M/Y Solomon is one of the freshest Y72s available, showing only 90 engine hours overall.

Propulsion comes from Twin MAN V12 1650 hp — just 35 hours — a combination that promises effortless power and reliability as the owner prepares to step up in size.

Her specification reads like a thoughtfully chosen equipment list from the factory: hydraulic fin stabilizers for comfort both on passage and at anchor, a Williams SportJet 395 stowed on a hydraulic bathing platform, full teak underfoot across side decks, flybridge and platform, and Lumishore underwater lighting to illuminate evenings at sea. Entertainment and navigation are covered by a premium audio package and a Raymarine navigation suite, while the galley is appointed with Miele and Bosch appliances, including a wine cooler for onboard hospitality. Manoeuvrability and berthing are simplified by bow and stern thrusters with a third aft docking station, complemented by a hydraulic passerelle, a folding cockpit awning and a bespoke lighting upgrade that enhances ambiance.

Performance is immediate yet composed: a top speed of 35 knots with a comfortable, assured cruise at 30 knots produces swift, quiet and supremely stable passages. Accommodation is arranged for four cabins, all ensuite — a full-beam owner's stateroom, a forward VIP and two convertible twin cabins that lend themselves to family cruising or welcoming friends — while aft crew quarters for two with separate access preserve privacy and operational efficiency. The finish is the refined workmanship synonymous with Princess Yachts.

Styled by the Princess Design Studio, the interior embraces the latest generation aesthetic: open-plan living flooded with natural light, warm timbers paired with rich leathers and contemporary detailing, the very hallmark of a 2025 model.

Now lying in Trogir, only 20 minutes from Split International Airport (SPU) and roughly 1.5 hours from Zadar, she is exceptionally well placed for viewings and immediate Mediterranean cruising. For those weighing alternatives such as the Sunseeker 75 Yacht, Ferretti 720, Azimut 72 Fly or Sanlorenzo SL78, the Princess Y72 presents one of the most balanced propositions in the segment — marrying luxury, craftsmanship and sea-keeping in a modern Flybridge Motor Yacht.

Category: Flybridge Motor Yacht • Luxury Yacht • Performance Motor Yacht • Planing Hull • 70–80ft Class • Mediterranean Cruiser • Family Yacht • 4-Cabin Layout • Crew Cabin
