OVERVIEW

M/Y ATLANTIS is a 2023 Azimut 72 that exemplifies the finest of Italian boatbuilding, where cutting edge systems are married to timeless style. Measuring 22.63 metres and crowned with a sleek carbon fiber superstructure, this motor yacht balances generous interior volume, rock steady stability and athletic planing performance—an ideal flybridge platform for refined cruising.

Her sculpted profile draws attention in every harbour, while thoughtful engineering ensures a composed, whisper quiet passage. Seakeeper stabilisers operate both underway and at anchor to smooth motion in all conditions, upgraded air conditioning maintains perfect comfort throughout the yacht, and Starlink satellite internet keeps you connected on long passages and secluded anchorages alike.

ATLANTIS is conceived for sociable days aboard and effortless alfresco living. The sweeping flybridge is a fully equipped entertaining deck, arranged with a lounge and dining area, a grill, ice maker, fridge and generous sunpads, all shaded when required by a retractable awning—signature appointments of a premium flybridge motor yacht. Forward, a cushioned bow lounge invites languid sunbathing, while the aft cockpit provides an elegant setting for outdoor dining. A hydraulic swim platform at the stern simplifies water access and houses the 3.9 m tender plus an array of water toys, underscoring her credentials as a performance cruising yacht.

Below deck ATLANTIS accommodates up to eight guests across four ensuite cabins: a full beam owner's suite, a VIP cabin, a double and a twin, each finished with tasteful materials and practical layout. The contemporary saloon is bathed in light through panoramic glazing, complemented by a premium Bose sound system and refined joinery, with an open plan that flows naturally into the dining area and sociable galley—perfect for the modern sport yacht

lifestyle.

Maintained under the stewardship of a professional captain, ATLANTIS is presented in immaculate, turnkey condition and ready for unforgettable voyages, whether family getaways, coastal exploration or stylish island hopping. Registered under 24 m for increased anchoring and mooring flexibility, she delivers the freedom and performance expected of a high spec Azimut 72.

KEY FEATURES

Seakeeper stabilisers active at anchor and underway

Registered under 24 m for greater anchoring and mooring flexibility

Large flybridge with grill, ice maker, fridge, and retractable awning
