OVERVIEW

Launched in 2020 by Azimut Yachts, SOLSTICE is a contemporary and elegant Azimut 72 Flybridge motor yacht whose sleek lines and purposeful profile announce her character at a glance. She offers an uncommon accommodation arrangement for a vessel of her size—three double guest suites plus a twin, all en suite—while boasting one of the most expansive flybridges in her class, elevating open air living and panoramic views to an exceptional level.

Privately owned from new with low hours and a comprehensive options list, she has been professionally crewed and meticulously maintained with no expense spared, presenting as a true turn key luxury yacht and flybridge cruiser. Inside, warm desert oak is paired with high gloss mahogany and refined steel accents to create a crisp, designer ambiance; for those seeking an elegant, modern flybridge yacht with standout deck space and presence, SOLSTICE stands among the most compelling offerings on the market in the luxury motor yacht category.

DETAILED DESCRIPTION

Deck equipment

In 2024 meticulous works included replacing the service battery bank with six 120-amp units to secure robust house power, along with a comprehensive gangway overhaul fitted with new hydraulic rams for smooth, dependable operation. Building on this, the 2025 maintenance program delivers a full technical refresh: the main engines received comprehensive service of the intercoolers, the inverters and generators underwent full service, the anchor winch was professionally serviced, as were the swim platform and the watermaker, and the underwater hull was treated with fresh antifouling and fitted with new anodes, ensuring reliable performance and extended longevity for seasons to come.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
