OVERVIEW

****Helsie Si**** was handed over to her inaugural and current owner in 2023, and she is now available on the market with minimal usage, numerous enhancements, and an extensive list of options. Her exterior was crafted by the late Stefano Righini, a pivotal figure in shaping the iconic Azimut brand style. The 72 Flybridge remains one of the most sought-after models from Azimut Yachts. It boasts four spacious cabins, each with its own ensuite, along with accommodations for a crew of two. This model is the first in the flybridge series to offer dedicated crew quarters for a full-time captain and steward, making it ideal for long voyages. This Azimut yacht is equipped with a plethora of exceptional features and upgrades, and it is in impeccable condition. It is undoubtedly perfect for those looking to purchase a yacht and save on a new vessel. If you're interested in yacht sales in the current boat location, this is an opportunity not to be missed.
