OVERVIEW

Step aboard a vessel that marries contemporary elegance with sea tested performance: a 74 foot yacht built in 2022 and now offered for sale in the sunlit waters of Greece. Her sleek monohull lines and an 18 foot beam give her a graceful presence as she cleaves through the Aegean, delivering a comfortable cruising pace of 26 knots and spirited passages up to 32 knots, driven by a pair of powerful MAN inboard engines that promise both reliability and responsive power.

Inside, the interior is arranged to welcome up to eight guests across four thoughtfully designed cabins, each providing a tranquil sanctuary after days of exploration, while four well appointed heads ensure privacy and convenience for all aboard. High quality finishes and careful attention to layout create an atmosphere that balances refined style with the lived comfort of a true home at sea.

Constructed with a hull of fiberglass and plastic for strength and refined lines, the yacht presents an inviting deckscape ideal for sunbathing, alfresco dining, or intimate evenings beneath the stars. Long range capability is assured by capacious tanks — 290.59 gallons of fresh water and 1,373.7 gallons of fuel — allowing extended cruises along the Mediterranean coastline with confidence and fewer constraints.

Situated in Greece and available through contemporary yacht sales channels, this 2022 model represents a rare combination of luxury, seaworthiness, and modern engineering. Whether you are a seasoned mariner or newly embracing the yachting lifestyle, this vessel offers an elegant platform for unforgettable voyages and gatherings. Embrace the opportunity to make this exceptional yacht yours and begin crafting enduring memories on the water; contact us to learn more and take the next step toward ownership.

DETAILED DESCRIPTION

Accommodation

This yacht offers a luxurious and spacious accommodation setup, perfect for both relaxation and adventure on the open seas, featuring four elegantly designed cabins that provide ample space for guests alongside an additional crew cabin; the layout comfortably sleeps eight guests while the crew cabin accommodates one crew member, and guest comfort is assured with four well-appointed head compartments plus an extra head for the crew, all arranged with meticulous attention to privacy, convenience and refined detail to make every moment on board indulgent and effortless.

Specifications

This yacht boasts impressive specifications that ensure both performance and comfort on the water, with an overall length of 22.64 meters and a beam of 5.60 meters delivering a spacious and stable platform, a draft of 1.82 meters enabling versatile navigation in varied waters, and an approximate displacement of 53.3 tons that underlines its robust construction and inherent stability; propulsion is provided by two 1400 mHP MAN CR V12 engines, allowing a maximum speed of up to 32 knots and a comfortable cruising speed of 26 knots, marrying exhilarating performance with efficient, smooth passage-making.

Extras

This yacht is equipped with an array of exceptional extras that enhance both functionality and luxury, including an additional 20.5 KW Kohler generator to ensure ample onboard power, extra cleats at midship for enhanced mooring

capability, an additional control for the electric searchlight and a chain-counter control conveniently located at the helm station, an upgraded interior decor that elevates the ambiance, and maneuvering made effortless by the Easy Docking joystick for engines and thrusters by Marex; visibility is improved with an electric searchlight positioned ahead of the windshield, extra conduits have been installed for future upgrades, the galley features upgraded Miele appliances including an oven and cooktop for a premium culinary experience, the yacht is predisposed for watermaker installation and includes a shore water plug for convenient dockside water access, all selected to make every voyage more comfortable and enjoyable.

Optionals main system

The yacht's optional main systems are designed to significantly enhance onboard comfort and convenience, anchored by the Seakeeper stabilizer 16 which markedly reduces roll and delivers a markedly smoother experience even in choppy conditions so guests can relax without motion discomfort, while an onboard water maker provides the luxury and autonomy of producing fresh water directly from the sea, an invaluable asset for extended passages that ensures a continuous supply without frequent port calls and elevates the vessel's self-sufficiency.

Electrical system

The yacht's electrical system is equipped with cutting-edge technology to ensure superior navigation and communication capabilities, centered on the Raymarine AIS 700 which provides advanced Automatic Identification System functionality for real-time vessel tracking and essential information exchange to enhance safety in busy waterways, complemented by the Raymarine Gold Package that delivers a comprehensive suite of navigation and communication

tools including high-performance chartplotters, radar and sonar systems, all engineered to provide precise and reliable data for confident navigation and peace of mind on every voyage.

Appliances

The yacht is outfitted with a range of high-end appliances designed to enhance the onboard living experience, with a barbecue and ice maker on the flybridge ideal for alfresco entertaining and chilled refreshments against panoramic views, a saloon wine cooler that stores and presents vintages at optimal temperatures to enrich formal or informal gatherings, a galley dishwasher that makes post-meal cleanup effortless, and a washer and dryer located in the crew cabin to ensure laundry needs are managed efficiently during extended voyages, all integrated to deliver style, convenience and seamless daily operation.

Audio-video systems

The yacht's audio-video systems are designed to provide an exceptional entertainment experience on board, with a hi-lo system for the saloon TV that enables seamless integration and optimal viewing, a predisposition for a TV5/TV6 SAT TV antenna that opens the potential for satellite television access so you remain connected to global broadcasts wherever you roam, and the Smart Audio/Video Package which enriches onboard entertainment with sophisticated, immersive audio-visual capabilities, all arranged to make every moment aboard engaging and enjoyable.

Interior

The interior of this yacht is a testament to sophisticated design and luxurious

comfort, where the saloon is anchored by a beautifully crafted coffee table that invites relaxation and conversation, the main helm includes a co-pilot seat to make navigation a shared pleasure, dimmer lights throughout create the perfect ambiance for any occasion, and an electric frosted glass divider elegantly separates the saloon from the galley while preserving an open, airy flow; the master and VIP head shower walls are clad in exquisite quartzite lending natural elegance, the Scenic Lights Package bathes the interior in warm, inviting illumination, a two-color saloon rug adds visual depth and comfort underfoot, and wooden floors flowing through the saloon, dinette and stairs unify the spaces with refined warmth to ensure every moment aboard feels intimate and luxurious.

Exterior

The exterior of this yacht is designed to offer both elegance and functionality, where the cockpit features two comfortable chairs and furniture with an integrated refrigerator for easy refreshment while enjoying the view, the flybridge includes a co-pilot seat and dimmer lights to set the desired mood and is protected by an electric awning, a flybridge hatch and a hard top; the aft flybridge is furnished with lounge furniture including L-shaped sofas and a starboard love seat in durable Batyline fabric accompanied by a refined coffee table and spreader lights that create an inviting evening ambiance, the stern is finished with teak steps, the bow offers a sun shade sail with removable carbon fiber poles and a teak table for alfresco leisure, teak finishes extend across the flybridge and other exterior areas, a telescopic gangway ensures effortless boarding, underwater lights add nocturnal magic, and the standard external cushions have been upgraded to Batyline fabric for enhanced comfort and longevity, together composing a sophisticated and welcoming exterior ideal for life on the water.

Total of optionals

The yacht is enhanced with a comprehensive array of optional features that elevate both its aesthetic appeal and functionality, including an upgraded lower deck carpet that adds luxury underfoot, a cockpit enclosure to protect and extend the seasonality of the cockpit, a cockpit docking station with an engine control joystick for precise maneuvering, a cockpit table with a synthetic marble insert and walkway lights for evening safety and style, a flybridge table with synthetic marble complementing the refined exterior, the yacht's name affixed on the transom in stainless steel for a personalized, polished touch, and a safe installed in the master cabin to secure valuables, all thoughtfully integrated to enrich the overall yachting experience and ensure every journey is as comfortable and enjoyable as possible.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
