## OVERVIEW

---

Sunseeker GIOIA presents a refined four-cabin layout, accommodating up to eight guests in elegant comfort while providing separate sleeping quarters for two crew, a configuration that makes her equally suited to private family voyages and high-end charter service. Her generous interior volume, combined with a cleverly arranged guest plan, ranks her among the most versatile yachts in her class, offering the scale and capability of a larger performance cruiser wrapped in a sleek, contemporary sport-yacht silhouette. Throughout, careful ergonomics and premium finishes create an atmosphere that marries privacy with sociable, open living areas.

A drop-down hideaway patio door creates a flawless connection between the salon and the aft cockpit, enlarging the principal social space and framing sweeping sea vistas. At waterline level, the aft beach club forms a resort-style haven complete with a built-in BBQ and transom bench seating for effortless entertaining. A dedicated tender garage is sized to accommodate a Williams SportJet 395 (tender not included), underscoring her planing motor yacht capability and the straightforward, day-to-day practicality required for coastal cruising.

# DETAILED DESCRIPTION

---

## Accommodations

---

Thoughtfully arranged accommodations welcome eight guests across four well-appointed cabins, each designed to blend privacy with refined comfort, while a dedicated area provides seamless accommodation for two crew members to elevate service throughout every voyage.

## Audio & visual equipment

---

Entertainment flows from bow to aft with Fusion Marine waterproof speakers on the foredeck powered by a Sonos Amp, creating an inviting alfresco atmosphere; in the salon a Samsung 55" UHD Smart 4K television featuring the Apple TV app and AirPlay 2 is complemented by a 4K UHD Blu-ray player, a Yamaha sound bar, and one sub-woofer for rich, cinematic sound. The master cabin is appointed with a Samsung 43" UHD Smart 4K television with Apple TV app and AirPlay 2 plus a Yamaha sound bar, mirroring the VIP cabin's Samsung 43" UHD Smart 4K television, Apple TV app, AirPlay 2, and Yamaha sound bar. Guest cabins each enjoy a 24" HD television supported by a two-channel amplifier and a pair of speakers, with Apple TV ensuring effortless streaming throughout.

## Machinery

---

Performance is delivered by two MAN V12 1550 engines on shaft drive, rated at two times 1550 PS for confident, efficient passage-making. Engine hours stand at approximately 586 on the port side and 581 on the starboard. The propulsion is pure shaft drive for robust reliability, and the yacht achieves a range of 900 nm at 10 knots, ideal for extended cruising with assured

composure.

## Generators & auxiliary equipment

---

Reliable onboard power comes from twin Onan generators: one Onan 27 kW 50 Hz (27MDKDU) with approximately 1310 hours, and one Onan 11 kW with approximately 623 hours, providing flexible, efficient energy management at sea and at anchor. Shore connectivity is assured by a 230 V 50 Hz 63 A AC shorepower socket paired with a 20 meter cable, streamlining dockside operations.

## Tank capacities

---

Designed for long-range independence, the yacht carries a fuel capacity of 4800 L (1248 gal), fresh water capacity of 900 L (234 gal), grey water capacity of 430 L (112 gal), and black water capacity of 200 L (52 gal), balancing endurance with responsible onboard systems.

## Ancillary equipment

---

Comfort and control are elevated by Sleipner fin stabilisers for assured steadiness, Tropical-spec air conditioning rated at 118,000 BTU for effortless climate control, and Tecma Silence Plus 2G-24V toilets for refined onboard living. Manoeuvrability is enhanced by a hydraulic Sleipner bow thruster rated at 23.3 hp and a hydraulic Sleipner stern thruster rated at 20 hp, delivering precise handling in any marina.

## Safety & security equipment

---

Safety is comprehensively addressed with a Fireboy Xintex FR-200 two-zone fire alarm system and onboard CCTV for vigilant monitoring. A fire blanket

Ocean Safety FIR0022 stands at the ready, complemented by six portable one kilogram dry powder fire extinguishers rated 5A 34B C, while a fully stocked first aid kit underscores a proactive approach to care and preparedness.

## Communication equipment

---

Clear, dependable communications are delivered by a Simrad HS100 VHF radio with DSC functionality, paired to a 2.4 meter whip antenna for strong transmission and reception when it matters most.

## Navigation equipment

---

Command is intuitive at both helm stations with twin Simrad NSS12 evo3S 12" multifunction chart plotter displays, joined by the Simrad AP44 autopilot and Simrad IS42 multifunction instrument for precise speed and depth data. Docking is made effortless by the Rexroth Aventics Marex OS 3D dual-station joystick docking system, while LED navigation lights and a Jabsco searchlight enhance visibility and confidence after dark. On the flybridge, the suite is mirrored with twin Simrad NSS12 evo3S 12" displays, AP44 autopilot, IS42 instrumentation, and a Simrad HS100 VHF with DSC at the second station for complete redundancy and control.

## Deck equipment

---

Open-air living is defined by a panoramic sliding sunroof and a hydraulically lifting platform with a maximum lift capacity of 450 kg, perfect for tender handling and water access. A hydraulic telescopic gangway streamlines boarding, while four Lumishore T IX403 LED underwater lights enrich evenings at anchor. Shade and style come courtesy of a hydraulic folding Bimini Top with stainless steel framework, and a fresh water deck wash outlet keeps the

exterior pristine. Forward, two 14" bow mooring cleats in polished stainless steel complement a Lewmar 50 kg Delta stainless steel anchor paired with 90 metres of 12 mm stainless steel chain, as Lewmar C3 stern docking winches to port and starboard complete a thoroughly capable deck plan.

## Audio & visual equipment

---

For immersive entertainment, the foredeck features Fusion Marine waterproof speakers driven by a Sonos Amp, setting the tone for alfresco lounging; inside the salon, a Samsung 55" UHD Smart 4K television with Apple TV app and AirPlay 2 pairs with a 4K UHD Blu-ray player, a Yamaha sound bar, and one sub-woofer to deliver a theater-grade experience. The master cabin hosts a Samsung 43" UHD Smart 4K television with Apple TV app and AirPlay 2 alongside a Yamaha sound bar, mirrored in the VIP cabin with its Samsung 43" UHD Smart 4K television, Apple TV app, AirPlay 2, and Yamaha sound bar. Each guest cabin is equipped with a 24" HD television, a two-channel amplifier, and a pair of speakers, with Apple TV ensuring seamless content throughout the yacht.

## Galley and domestic equipment

---

The galley is appointed for gourmet ease with an integrated dual-voltage Vitrifrigo DW360 DT—refrigerator above with a lower freezer/refrigerator compartment—supported by a Waeco Coolmatic 80 litre refrigerator and an additional Waeco Coolmatic 80 litre refrigerator CRX80 in the lower cockpit for effortless service flow. At the aft sunbed, a Vitrifrigo D30A 24 V 30 litre unit keeps refreshments close at hand. Cooking is refined by a Miele KM6520 FR 4-ring ceramic hob paired with a Smeg hob extractor fan, while a Miele H7240BM microwave oven speeds preparation. Wines rest at perfect temperature in a Vitrifrigo DCW95 multi-voltage wine cooler (20 bottles), and

cleanup is simplified by a Bosch Integrated Slimline Dishwasher SPV2HKX39G. Domestic convenience continues with a Miele Washer-Dryer WTD165 to manage laundry discretely and efficiently.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
