### Sunseeker Predator 74 Fly — 2011

The 2011 Sunseeker Predator 74 Fly, measuring 22.8 metres (74 feet), stands proudly within the esteemed Predator series, marrying refined lines with athletic performance. Its sleek profile and broad picture windows flood the interior with natural light, framing sweeping sea views and enhancing the sense of openness throughout the yacht.

Beneath that elegant exterior lie powerful engines that furnish exhilarating speed, while sophisticated navigation and control systems deliver precise, confident handling on passage. Expansive deck areas invite relaxation and conviviality, providing ample room for sunbathing, entertaining and watching the horizon as the vessel glides along. This exceptional Predator 74 is currently available for inspection in Villefranche.

Inside, a contemporary, neutral palette and premium materials create a calm, luxurious atmosphere. Accommodation is arranged for up to eight guests in four well-appointed cabins, each benefitting from its own en-suite bathroom to ensure privacy and comfort for everyone aboard. Communal spaces include a generous salon, a fully equipped kitchen, and an aft deck designed for alfresco dining and effortless indoor-outdoor living.

Called the "Star of the Seven Seas," this yacht promises more than a journey: it offers an elegant retreat on the water, ready to deliver memorable experiences to its next owner. For those seeking to purchase, this boat presents an outstanding opportunity in its current location.
