OVERVIEW

STELLA

STELLA, the 2024 Absolute Yachts Navetta 75 (74 ft LOA), embodies Italian design finesse, innovative engineering, and true long-range poise. A semi-displacement hull paired with Volvo Penta IPS propulsion yields a notably smooth, quiet, and efficient ride, well suited to extended passages across the Mediterranean, the Caribbean, and beyond.

Floor-to-ceiling windows illuminate the contemporary Italian interior, while the spacious salon presents an elegant stage for relaxing and entertaining. Four staterooms, including a full-beam owner's suite, plus separate crew quarters for enhanced privacy, accompany a fully equipped galley and welcoming dining areas that complete the living environment.

The expansive flybridge offers dedicated spaces for dining and lounging—ideal for alfresco meals and sunset gatherings. A generous aft cockpit, forward sunbathing deck, and large hydraulic swim platform provide effortless connection to the sea.

Twin Volvo Penta D13 IPS1350 engines deliver confident cruising performance, excellent stability, and intuitive joystick maneuvering. With Italian craftsmanship, generous volumes, and modern technology, this Navetta 75 stands out for private enjoyment, family voyaging, or luxury charter.
