OVERVIEW

The 2025 PARDO GT75 redefines contemporary yachting by marrying the generous volume and effortless livability of a luxury motor yacht with the athletic silhouette and signature character of PARDO Yachts' sport cruiser lineage. Expansive exterior living areas, large opening glazing and a seamless, walk-through connection from saloon to cockpit to sea create an open-yacht experience that feels completely natural and unconfined. Inside, a contemporary interior palette is suffused with natural light, accentuated by premium finishes and a calm, sophisticated atmosphere throughout. The intelligently arranged layout delivers substantial accommodation for owner and guests while safeguarding privacy and comfort at every turn. Broad sunning zones, a flexible aft deck and direct access to the water make this GT75 exceptionally well suited to extended cruising and elegant entertaining. Launched in 2025 and presented in excellent condition, she balances performance and comfort with unmistakable Italian design, standing among the most compelling performance yachts in the PARDO lineup.
