OVERVIEW

Step aboard a 2014 luxury yacht for sale in Turkey, a vessel that marries refined aesthetics with naval precision across its 75 feet overall. Poised in the crystalline Turkish waters, she offers an intoxicating union of performance, comfort and style, inviting owners to indulge in both serene cruising and spirited passages.

Underway, twin MTU inboard diesel engines propel the yacht to a comfortable cruising speed of 25 knots, while a maximum velocity of 34 knots ensures swift, confident transits when time or temperament demands. The hull, fashioned from fiberglass and plastic and set beneath a robust GRP deck, delivers a smooth, stable ride; a generous beam of 18 feet creates broad, airy living spaces, and a draft just over 5.5 feet makes shoal exploration and hidden coves readily accessible.

Inside, the layout is conceived as a private haven: four elegantly appointed heads and a dedicated crew cabin afford both guests and staff privacy and convenience, while expansive areas for relaxation and entertainment reflect thoughtful proportions and fine finishes. Practical long-range capability is assured by a water capacity of 317 gallons and a fuel reserve of 1360 gallons, enabling extended voyages along the world's most beguiling coastlines.

Whether you are an experienced yachtsman or a first-time buyer seeking a statement of taste and capability, this 2014 yacht in Turkey represents a rare synthesis of timeless elegance and modern marine engineering. Contact us today to discover more and arrange a viewing.

DETAILED DESCRIPTION

2014 Sunseeker 75 Yacht

This 2014 Sunseeker 75 Yacht presents an exceptional fusion of performance, comfort and volume on a twenty-three metre flybridge platform, engineered to deliver confident passage-making and luxurious liveaboard capability. Powered by twin 1,620 hp MTU engines on straight shafts, she reaches a thirty-four knot top speed and settles into a composed twenty-five knot cruise, while fin stabilizers by Side Power and twin bow and stern thrusters translate into effortless handling and a noticeably smoother ride whether underway or at anchor. The four-cabin layout comprises a full-beam master with a dedicated dressing area, a forward VIP, a double and a twin cabin, complemented by a crew cabin, providing comfortable accommodation for up to eight guests plus crew, and interiors are elegantly appointed with refined finishes and modern systems throughout. The fully fitted galley is equipped with premium Bosch, Miele and Sub-Zero appliances including oven, dishwasher, refrigerator, freezer, ice maker, minibar and wine cooler, with home comforts such as a washing machine, dryer and trash compactor for extended autonomy. On deck expansive flybridge and cockpit zones invite relaxed entertaining with generous sun pads, composed dining and a wet bar, while a tender garage with a dedicated davit houses the Williams 445 Jet tender and a hardtop with an electric sunroof adds versatility for open-sky cruising or shaded repose. Navigation and electronics are comprehensive, with dual Simrad chart plotters, radar, GPS, autopilot, depth sounder, speedlog, VHF, a night vision camera, intercom and a full entertainment suite featuring Samsung TVs, Bose audio and DVD/CD to enhance life on board. Specified for extended cruising, she carries twin Onan 27 kW generators, AC/DC power supply, Mastervolt battery chargers and inverter, a 1,200 L fresh water tank, an Idromar MC3J

watermaker rated 150 L/h, grey and black water systems, hot water boiler, heating and robust bilge and waste management systems for confident self-sufficiency. Deck equipment includes a hydraulic passerelle, swim platform, tender crane/davit, anchor and chain, capstans, sea ladder, underwater lights, sunbathing cushions, BBQ and a full complement of safety gear including life rafts, life jackets and buoy. Built to proven standards with a GRP hull and superstructure, teak decks and a planing deep-V hull form, this 2014 75 Yacht is a meticulously equipped, turnkey flybridge motor yacht, ready for immediate cruising or charter and offering a rare balance of performance, comfort and practicality in a sub-twenty-five metre package.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
