## OVERVIEW

---

### Exquisite Vintage:

For enthusiasts who value a masterfully crafted and enduring vessel, this yacht is a true gem. John Trumpy, renowned for designing and constructing the most distinguished American motor yachts from the 1920s to the 1970s, created vessels that always bring to mind a more gracious and serene era in American history. Wherever they dock, these yachts remind us of a time when life was simpler and yachts were the epitome of luxury. Each of the over 400 yachts bearing the Trumpy name was infused with John's passion, elegance, and practicality.

This is a perfect, timeless opportunity for an owner who cherishes history, appreciates robust designs, and seeks a project to transform into a unique venue, live-aboard, or experiential accommodation. If you're looking to buy a yacht, explore yacht sales in the current boat location and seize this rare chance to own a piece of maritime history.
