OVERVIEW

Vita Brevis

Vita Brevis, a 2022 Hatteras measuring 75 feet LOA, presents a richly refined cherry wood interior now further distinguished by curved cherry trim throughout the salon, galley, and pilothouse. Raised-panel cherry cabinetry underscores the craftsmanship and depth of finish.

The galley balances luxury and utility with granite countertops, including an extended main counter reaching 16 inches aft and a custom lighted china cabinet with beveled glass inserts facing the salon. A matching granite dinette table complements Amtico flooring that carries through the pilothouse and galley.

On the flybridge, a newly added granite island enhances preparation and entertaining capability, complete with integrated storage, a hardtop, and a pop-up TV. Starlink high-speed Wi Fi delivers reliable connectivity underway or at anchor.

The salon benefits from a revised layout and a queen-size pullout sleeper sofa with a stainless steel frame, while the original ceiling-mounted 43-inch plasma has been replaced by a retractable TV cabinet that disappears for a cleaner profile. Air conditioning is discreetly ducted through custom cherry bannisters for quiet comfort and uninterrupted sightlines. Illumination is elevated with seven additional fixtures over the dining table and three over the cocktail table, augmenting extensive overhead lighting.

Factory upgrades to carpeting, wall coverings, countertops, and flooring remain in outstanding condition, and numerous custom storage lockers were installed at build. Dining and coffee tables by AJ Originals harmonize with the enriched cherry trim and cabinetry.

Mechanical notes: engines show 225 hours each, with top-end overhauls

completed in December 2023. The generator was replaced in May 2021 with a new 30 kW unit.

DETAILED DESCRIPTION

2025 Upgrades

Vita Brevis, a 2022 Hatteras 75, completed a full shipyard period in October 2025 at Hinckley Shipyard in Stuart, FL. The stabilizers were completely rebuilt, blue and white underwater lights were installed, and the trim tabs received a servicing. The flybridge, brow and waterways were treated with an Awlgrip paint system, while the hull and topsides were buffed to a renewed luster. Bow thruster service and thru-hull valve inspection were conducted, and aft deck soft goods seating was replaced. A comprehensive inspection of the propeller, rudder and cutlass was performed, with antifoul and PropSpeed applications applied. Exterior doors were removed and runners replaced. The Glendinning shore power cord system was replaced, and tender service with steering replacement were carried out.

Earlier services and upgrades include a top-end engine overhaul completed December 2023. Generators were updated with a new 30 kW unit installed May 2021, and the vessel now features two 30 kW phaser generators. Propellers were replaced with 46” 5-blade units both port and starboard, with two spare props available. Bow painting in white areas was completed using the Awlgrip system. Davit service included stainless line replacement and new control. Two auxiliary fuel pumps for the main engines were replaced, as were stabilizer power pumps. The main engines underwent an overhaul to zero hours, supported by oil samples. The transmission gearbox heat exchanger was replaced and inspected. Main engine and generator batteries were replaced in 2024. Watermaker filters were replaced, and two air conditioning compressors along with two raw water pumps were replaced. Full ship air conditioning ducting cleaning was completed for all units. Flybridge freezer service and Head Hunter toilet service were performed, and the salon wine

fridge was replaced. A new Sea-Doo jet ski, 170 hp wake model with 245 hours, was added in 2024. Tender tube replacement and a 50 hp Honda tender engine were fully serviced in 2024, and a tender bimini was added. Grill replacement occurred in 2025, and all deck and exterior overhead lighting have been replaced. Two amplifiers for the flybridge and salon entertainment systems were installed, with Apple TV for both areas and Fusion stereo integrated into Garmin screens. Main engine oil changes have been performed every 250 hours, with monthly divers conducting cleaning and anode service. New deck lines and fenders were installed in 2023, and an aft deck sun shade was added.

Listing handled by Shestakov Yacht Sales.

Salon

Vita Brevis, a 2022 Hatteras 75, presents a salon finished throughout in cherry wood, with custom carpeting gracing the sole. An L-shaped sleeper sofa with a queen mattress and storage provides seating, complemented by a custom A.J. Original coffee table and a matching entertainment center housing a 42" plasma TV. For dining, a custom A.J. Original round dining table is paired with four upholstered dining chairs, while a custom lighted china cabinet offers storage racks for china and stemware. The salon’s custom window treatment features Roman shades.

Galley

Vita Brevis, a 2022 Hatteras 75, showcases a Whirlpool side-by-side refrigerator/freezer with Burle wood panels, a Whirlpool 4-burner electric stovetop, and a Whirlpool Gold self-cleaning under-counter oven. Completing the galley are a KitchenAid Quiet Wash Plus dishwasher and a Sharp Carousel microwave/convection oven, while a Scotsman icemaker and a Franke double

stainless steel sink with garbage disposal attend to beverage service and cleanup. Dining is provided by a dinette with leather seating, drawer storage, a granite table, and rope lighting. The galley is finished with custom granite countertops, custom window treatments with pleated drop shades, Cruisair SMX digital A/C controls, three recessed counter lights above the bar, and Amtico flooring.

Master Stateroom

Vita Brevis, a 2022 Hatteras 75, offers a master stateroom with a private entrance aft and a his and her bath arrangement. The stateroom features a king-size bed with an upgraded HMC mattress and hinged storage beneath, a custom upholstered headboard, coordinated spread and shams, and custom window treatments with pleated shades. A walk-in cedar-lined closet includes a safe in the locker and a custom shoe rack, along with an upgraded 27" TV with CD/DVD combo and a leather bench seat. The his and her bath showcases a custom enlarged marble shower with a seat, marble vanity tops, custom wallcovering, overhead mirrors and custom lighting. Shestakov Yacht Sales

VIP Stateroom

Midships aboard the 2022 Hatteras Vita Brevis, a 75 ft yacht, the VIP stateroom offers a queen bed with hinged storage beneath, a custom upholstered headboard, coordinated spread and shams, a bespoke window treatment with pleated shades, a cedar-lined hanging locker, a 13" plasma TV, and a private bath featuring a marble tub, shower, and vanity. An optional entrance to the engine room is included.

VIP Stateroom 2

Vita Brevis is a 2022 Hatteras 75 ft yacht. The VIP stateroom, situated in the forward bow, offers a queen bed on the centerline with hinged storage beneath, an upholstered headboard with a custom spread and shams, a TV and stereo, a mirrored forward bulkhead, an overhead escape hatch, and access to the day head.

Guest Stateroom 1

Vita Brevis, a 2022 Hatteras 75 foot yacht, offers a guest stateroom forward to port that features twin upper and lower berths, a TV and stereo, and a private bath with shower.

Pilothouse

Vita Brevis is a 2022 Hatteras 75-foot pilothouse showcasing a custom Burle wood finish and a leather console with bolsters. To port, a custom cabinet accommodates a fax, printer and a file drawer, while a leather bench helm seat provides storage beneath. The pilothouse features Amtico flooring, a Panasonic phone system, a Tellular Trimode cell phone, and windshield wipers with washer.

Electronics & Navigation

Vita Brevis features a Furuno 2115 6.5" radar with ARPA alongside a Furuno 1943 color radar, complemented by a Furuno Navnet display that unifies radar, sounder and GPS plotting. Navigation and position duties are handled by a Northstar 962 GPS and a Furuno RD30 sounder with water temperature. Steering and station-keeping are managed by a Robertson AP20 autopilot with

remote, and an American bow thruster, while Naiad Multi Sea 2000 stabilizers provide stabilization. Engine and propulsion controls are provided by Caterpillar electronic engine controls with sturdy single-lever electronic throttles and single-lever electronic throttles, accompanied by a Hatteras systems control monitor and fuel tank gauges. Communication and onboard monitoring gear include an Icom M127 VHF with hailer, an ACR RCL 100 searchlight with remote, a Big Bay 17.5" flatscreen monitor, a Panasonic phone system with three cordless phones and four speakerphones, and a Tellular Trimode cell phone.

Flybridge Electronics

Vita Brevis, a 2022 Hatteras 75, is equipped on the flybridge with a Furuno GP1900 10" remote radar plotter, Furuno Navnet and Furuno RD30 depth sounder display, Northstar 962 GPS, Icom M127 VHF and KVH Tracvision satellite TV with four Sony satellite TV receivers. Navigation and safety systems include an ACR RCL 100 searchlight remote, Robertson AP22 autopilot second station remote and closed circuit display for three cameras on 10" Furuno units covering the engine room and aft deck. Vessel control and handling features comprise Caterpillar electronic engine controls, Sturdy single lever electronic throttles, a captain’s helm chair with joystick coupled to the autopilot, Naiad Multi Sea 2000 stabilizer controls and an American bow thruster.

Flybridge accommodation and equipment include a custom Pipewelders full length hardtop with lighting; a bar with four stools, refrigerator and storage; L shaped seating to port and starboard with custom cushions and two triangular cocktail tables; a deep freezer and JennAir grill; a console extended to starboard; two Stidd helm chairs with cup holders and covers; and a Hatteras systems control monitor.

Flybridge

Vita Brevis is a 2022 Hatteras 75-foot yacht. The flybridge features an FB instrument cover and an FB lounge cover, a custom radar mast, a Marquipt 1500 lb davit, a Novurania MX400 tender with a Yamaha 50 HP outboard, and storage access doors in the aft seats. Shestakov Yacht Sales.

Aft Deck

Vita Brevis, a 2022 Hatteras 75, showcases a Triconfort round pedestal teak table with an extension leaf, surrounded by two teak multi-position armchairs with Sunbrella cushions and four teak folding side chairs also cushioned in Sunbrella fabric. The aft deck features a bar with sink, icemaker and refrigerator, an aft deck carpet, freshwater washdown, a closed-circuit TV camera, stereo speakers, and an illuminated staircase leading down to the cockpit. Stainless steel handrails provide secure access to the lazarette.

Sold by Shestakov Yacht Sales.

Deck Equipment

Vita Brevis is a 2022 Hatteras 75 built by Hatteras. The deck presents non-skid surfaces and a fiberglass bow pulpit with anchor roller, complemented by a stainless steel bow rail and stanchions. Anchoring gear features a Maxwell 3500 lb anchor windlass with capstan, wildcat and two switches, an anchor rode hawse pipe, bow cleats and chocks. Additional deck fittings include custom dunnage boxes, a forward seat with cushion, a breakaway handrail with safety chain, an ACR 100 dual beam automatic searchlight, a Buell horn, freshwater washdown and dockside water connections. TV/phone connections are provided.

The electrical system comprises an upgraded Onan 27.5 twin generator setup, two Glendinning Cablemaster 250 V shore power cords and two Charles

Industries transformers.

Electrical System

Vita Brevis, a 2022 Hatteras 75, is equipped with Racor fuel filters for the generators and a fiberglass muffler to each generator. The electrical system includes two 12-volt batteries, a Newmar 321250DC converter, a 12-volt DC panel dedicated to bridge electronics, and a battery bank voltmeter. Main AC distribution is provided by 110/220-volt main AC panels and a 24-volt electronics panel, with a battery parallel switch and a Newmar battery charger. Generator exhaust water separation is handled by an HMI generator exhaust water separator. Additional electrical components include an electric blower and a Kidde chemical fire extinguisher.

Mechanical Equipment and Engine Room

Vita Brevis, built in 2022 by Hatteras, offers a length overall of 75 ft. The engine room houses seven Cruisair air conditioning units with reverse cycle and two 110v A/C raw water circulation pumps. A Watermakers, Inc 1200 GPD watermaker is installed, while stabilization is supplied by Naiad Multi Sea 2000 stabilizers with reservoir and temperature gauge, supported by two stabilizer actuators and a stabilizer pump driven from the starboard engine. Maneuvering and steering systems include an American hydraulic bow thruster, a power steering pump driven from the port engine, a steering cooling pump, and engine ignition and stop switches, together with Caterpillar manual control panels.

Fuel and lubrication systems feature two Racor fuel filters per engine, two Leeson fuel/lift pumps, an oil change pump to manifold, engine cooling overflow reservoir and valve assembly with oil cooler, and custom Hatteras racks for oil and spare parts. Electrical and battery systems include four

vapor proof battery cutoff switches, two closed circuit TV cameras, a Panasonic Hybrid phone, a cellular phone, and a toolbox.

Safety and firefighting equipment comprises a CO2 fire suppression system, a discharge delay cylinder mounted on a Halon cylinder, two fire alarm sensors, two Sentry dry chemical fire extinguishers, high water alarm switches, and electric/automatic bilge pumps. Ventilation and climate support include an engine room ventilator, two circulating fans, a ChargeAir 1.5 HP air compressor, and a hot water heater.

Plumbing and water systems provide a Well XTrol fresh water accumulator tank, a 230v Headhunter fresh water pressure pump, freshwater outlet with hose, freshwater filter assembly, holding tank macerator discharge pump with vacuum switch, dripless shaft packings, a dockside water pressure regulator with pressure gauge (listed twice), and a compressed air outlet with valve and pressure gauge. Also fitted are two 110v A/C raw water circulation pumps, two Leeson fuel/lift pumps, and other routine machinery items such as a toolbox and various service essentials. Shestakov Yacht Sales.

Remarks

Vita Brevis, a 2022 Hatteras 75, stands as a flawless exemplar of the popular 75' Hatteras Cockpit Motor Yacht. Crafted for a repeat Hatteras client, she includes every available upgrade, featuring the desirable cherry wood interior, raised paneled doors, his and her master bath, a Pipewelders hardtop, and an extensive electronics package.

Vita Brevis presents as new, maintained in the very best condition of any vessel in this size range.
