OVERVIEW

Trades are welcome and financing is available. The 2016 Prestige 750 ELEVATION stands apart in the flybridge motor yacht category, marrying sleek European styling with the generous volume and comforts usually reserved for much larger luxury yachts, and delivering a refined balance of performance, indulgence and genuine liveaboard practicality suited to discerning cruisers. Her interior accommodates four staterooms, centered around a private full-beam owner's suite, and includes separate aft crew quarters, providing sleeping arrangements for eight. A luminous salon and formal dining area encased in panoramic glazing create an inviting, airy ambiance, while alfresco life is celebrated across multiple lounge and dining areas on the expansive flybridge, foredeck and aft cockpit. The flybridge is appointed with a hardtop and retractable sunroof, a wet bar, ample dining space and generous sunbeds; forward, the bow lounge offers a private retreat with settee and sunpad, and the aft cockpit affords shaded open-air dining with a hydraulic swim platform that converts into a versatile beach club for effortless tender and water-toy access. Motivated by upgraded MAN V8-1200 diesels, ELEVATION provides efficient cruising and controlled handling, equally well suited to owner-operators or professionally crewed programs, while enhanced systems, a service-friendly engine room and Prestige's celebrated engineering make her an appealing choice for long-range passages or spontaneous weekend getaways.

DETAILED DESCRIPTION

Notable features

Adorned with a striking Champagne Metallic hull, this yacht is propelled by upgraded MAN V8 1200s that deliver assured, refined performance, while responsive joystick controls and a transom docking station simplify precision handling in tight marinas. Onboard comfort is elevated by a Sea Keeper 16, providing exceptional stabilisation underway and at rest, and an integrated suite of Raymarine electronics ensures clear navigation and comprehensive situational awareness. Completing the offering is a thirteen-foot AB tender driven by a 60 hp Yamaha, ready to extend your cruising lifestyle with reliability and style.

Salon

The salon is a study in modern luxury and effortless relaxation, centered around a retractable 46-inch LED TV paired with a BOSE Home Cinema V25 to deliver immersive, cinematic sound. Rich wooden flooring runs throughout, imparting warmth and visual continuity beneathfoot. Thoughtful conveniences include an Isotherm refrigerator tucked for easy access to chilled refreshments, while seating is arranged for both sociability and repose: a love seat to starboard and a generous U-shaped sofa to port invite conversation and leisurely lounging. Satin curtains on the salon doors allow precise control of light and privacy, rounding out a space that blends entertainment, style, and everyday comfort.

Aft galley

Nestled at the stern, the galley has been designed as an elegant culinary

centre, featuring a Miele four-burner cooktop and a Miele convection oven, complemented by a Miele refrigerator and a Miele dishwasher to ensure effortless provisioning and tidy service. A spacious island counter provides ample workspace for preparation while encouraging relaxed conversation, and polished stainless steel sinks deliver both resilience and a refined aesthetic. Generous, well-planned storage keeps every utensil and ingredient neatly stowed, and the adjacent dining table allows a smooth transition from kitchen activity to convivial dining.

Master cabin

The master cabin is anchored by a queen berth and appointed with a 40" TV with DVD and MP3 player, seamlessly integrated into a BOSE Home Cinema V25 system for immersive entertainment. A private ensuite offers a walk-in rainfall shower and its own vanity, while a spacious walk-in closet equipped with a secure safe keeps personal belongings protected. Skylight windows pour natural light onto warm wooden floors, where a comfortable settee to port provides an inviting place to unwind and a dedicated vanity and workstation create an elegant area for preparation or quiet work. Thoughtfully designed cabinetry and concealed compartments supply ample storage throughout, preserving a calm, uncluttered atmosphere.

VIP cabin

Conceived as a private sanctuary, the VIP cabin boasts a queen berth set against elegant finishes and an integrated 32-inch television with DVD and MP3 playback for effortless onboard entertainment. A dedicated vanity alongside a separate work station creates a discreet area for grooming or attending to correspondence, while the ensuite pamers with a walk-in rainfall shower and its own vanity. A spacious walk-in closet and intelligently placed storage

throughout keep personal belongings impeccably organized for every voyage.

Starboard guest cabin

Crafted for both versatility and refined comfort, the starboard guest cabin boasts convertible twin side-by-side berths that transform effortlessly to accommodate companions or a couple, while a 22-inch TV with an integrated DVD and MP3 player provides sophisticated onboard entertainment; thoughtful wardrobe storage keeps clothing neatly arranged, maintaining a serene, uncluttered retreat on the water.

Port guest cabin

The port guest cabin is a serene, well-appointed retreat featuring convertible, side-by-side twin berths that can be adjusted to suit your preferences, with convenient shared access to the day head. A 22-inch television with integrated DVD and MP3 player provides in-cabin entertainment, while ample wardrobe storage ensures clothing and personal items remain neatly organized and within easy reach.

Crew quarters

The crew quarters combine functional design with refined comfort, offering two single berths, a dedicated washbasin and a walk-in shower/wet head to ensure personal convenience. Off-watch relaxation is provided by a 19-inch television equipped with DVD and MP3 playback, while thoughtfully arranged storage keeps uniforms and gear neatly stowed. Laundry is handled onboard by a Miele washer and a Miele dryer, enabling rapid, hassle-free turnarounds between passages.

Flybridge area

From the elevated flybridge helm, take command of the water via a refined helm fitted with Raymarine electronics and a responsive joystick, while Fusion audio controls power a suite of Sony marine speakers to curate the onboard soundtrack. Guests relax on a generous U-shaped seating area encircling a handcrafted teak table, with a forward sun pad offering a luxurious spot for open-air lounging. Entertaining is effortless at the portside prep station, which features an integrated sink and grill and is supported by an Isotherm refrigerator and ice maker to keep refreshments perfectly chilled. Above, a sleek hardtop with both a retractable sunroof and a retractable awning adapts shade and airflow to the moment, and rich teak decking underfoot completes the refined, elevated experience.

Foredeck

Designed for open-air leisure, the foredeck offers a forward-facing bench seat alongside an expansive sunpad for lounging, while reliable ground tackle housed in the bow ensures confident, secure anchoring. Sony Marine speakers deliver enveloping audio, subtly elevating the ambiance whether underway or at anchor.

Cockpit

The cockpit beckons with generous bench seating and refined chairs gathered around a gleaming polished teak table, all laid upon sumptuous teak decking. A rear docking station delivers precise, responsive control at your fingertips, while a dedicated ice maker keeps refreshments impeccably chilled. Thoughtful functionality complements the sumptuous finishes, with engine room access discreetly located underfoot to allow straightforward servicing.

Machinery

Propulsion is provided by twin MAN V8 1200 engines, supported by two Kohler 23 kW generators displaying 1,700 and 1,390 hours respectively, while a Sea Keeper 16 gyro stabilizer ensures exceptional composure both underway and at anchor. The electrical suite is comprehensive, centered on a MASS 24/2500 inverter and featuring a Mastervolt Chargemaster 24/100-3 as the engine battery charger, a Mastervolt Chargemaster 12/25-3 for the generator batteries, and two Mastervolt Chargemaster 24/30-3 units dedicated to the stern thruster and service battery systems, complemented by two Glendinning Cable Master 50 amp systems for shore power management. Fuel is managed with dual Racor filters on the main engines and two Racor filters serving the generators, and climate comfort is accomplished by an upgraded tropical air conditioning package rated at 124,000 BTU. Additional refinements include an onboard engine oil change system, bow and stern thrusters, underwater lighting, an integrated fire suppression system and a hydraulic swim platform.

Navigation and communication

The helm is defined by an extensive Raymarine electronics package, centered on a dual-station glass-bridge arrangement and twin multitouch 16-inch GS165 multifunction displays that bring every navigational and operational function intuitively within reach. Precise course control is provided by the P70R color autopilot, while situational awareness is extended through a digital radar mounted on a 48 NM antenna and a high-definition open-array radar (Raydome) with a 72 NM range. Ship-to-shore communications are handled by the Ray 260E VHF with handset and loudspeakers, and vessel tracking is assured by an AIS650 Class B AIS transducer complemented by a KHV satellite dome; for additional peace of mind both a reverse camera and an engine-room camera supply crisp, real-time imagery when manoeuvring or

underway.

Deck equipment

A dedicated washdown control provides effortless rinsing and speeds turnarounds, ensuring the decks remain immaculate after every excursion.

Exclusions

All personal effects belonging to the owner are specifically excluded from the sale and will remain in the owner's possession, not passing with the vessel.

Disclaimer

The particulars relating to this yacht have been supplied in good faith; however, neither the accuracy of the information nor the condition of the vessel can be guaranteed or warranted. This offering is subject to prior sale, price adjustment, or withdrawal from the market at any time and without notice, and the details are provided solely as a courtesy by the broker to its clients rather than as a direct representation of any specific yacht for sale.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
