OVERVIEW

Please be aware that this description outlines a model specification for a new construction and does not refer to an actual vessel available for purchase or location. For further details on this model and build options, please reach out to us.

Positioned at the forefront of a series celebrated for its exceptional space, cutting-edge features, and clever design, the FD75 stands as a testament to superior design and marine engineering. Crafted with owner/operators in mind, the FD75 boasts a raised pilothouse layout that offers both an open flybridge and a lower helm station, with the possibility of a fully enclosed skylounge. This four-cabin yacht includes a full-beam, on-deck master suite complete with a private bathroom and walk-in closets, alongside three generous cabins featuring a queen, double, and twin beds on the lower deck. Accommodation for two crew members is located at the rear, and a beach club is available as an option.
