OVERVIEW

M/Y EVASIONE is a striking 23.18 metre Pershing 76 that captures the thrill of open yacht cruising with refined elegance. Built by the renowned Italian yard Pershing and sculpted by designer Fulvio De Simoni, she offers a rare blend of athletic performance and onboard luxury, making her an excellent choice for private ownership or as an attractive sale option for charter operations.

Her slim, purposeful profile conceals formidable power: twin MTU 16V 2000 M91 engines, each rated at 2,000 HP, propel EVASIONE to a thrilling top speed of 47 knots while delivering a smooth, economical cruising speed of 30 knots. The open deck layout and retractable roof salon ensure an uninterrupted relationship with the sea, and a shallow 1.4 metre draft invites access to secluded bays and hidden anchorages. A Zodiac 350 Projet tender complements the yacht's sea going versatility.

Below decks she accommodates up to 8 guests in four tastefully appointed cabins — a full beam master suite, a VIP cabin forward, and two twin cabins — all supported by comprehensive entertainment systems, WiFi connectivity and air conditioning. Multiple lounging and sunbathing areas complete the picture, creating an ideal platform for luxurious Mediterranean voyages.
