OVERVIEW

The Bering 76 Lemanja Explorer Yacht is expertly crafted for those seeking bluewater adventures and long-distance journeys. This robust 23-meter vessel boasts a full-displacement design with a durable steel hull and a sleek aluminum superstructure. Its inviting interior exudes a homely charm, complemented by a state-of-the-art gyro 35 stabilization system and an impressive range of over 4,000 nautical miles, making the B76 an exceptional choice for thrilling yacht expeditions. The exterior is built to withstand the elements, while the interior provides a warm and welcoming atmosphere, featuring a main deck perfect for entertaining, complete with a cozy salon seating area, a central open galley, and a panoramic dining space that enhances the feeling of spaciousness and comfort.

Accommodations include three well-appointed guest cabins, highlighted by a full-beam master suite with a walk-in wardrobe, alongside two additional guest staterooms, comfortably hosting up to six guests. A day head is conveniently located on the lower deck. During the build, the fourth guest cabin was transformed into a pantry, significantly increasing storage options. On the upper deck, the salon can be seamlessly opened or closed off from the wheelhouse via an electric partition. This versatile space features a sofa bed for extra guests or crew, a sink in the cabinetry, a pop-out television, and the potential for a day head installation, with plumbing already in place. The lazarette provides additional storage or can be utilized as quarters for a crew member, complete with a wet head and a compact kitchenette.

Equipped with twin Cummins engines, the Lemanja reaches a top speed of 12 knots and cruises effortlessly at 9 knots. Despite its substantial 148 metric ton displacement, the yacht ensures a serene experience with low vibration levels of 46dB in the wheelhouse while cruising, enhancing overall comfort on board. Additional features include a dedicated laundry room. The B76 is designed for

operation by an owner-couple or with minimal crew assistance (1-2 crew members), striking a perfect balance between practicality and luxury for long-range voyages and exploration. This yacht for sale is an ideal opportunity for those looking to buy a yacht in the current boat location, with exceptional yacht sales options available.
