OVERVIEW

"Never Better" is a pristine, single-owner Marlow 66E-CB offered in genuine turnkey condition, where meticulous craftsmanship and timeless Marlow lines meet modern long-range capability. This luxury motor yacht exemplifies the 66E's reputation as a bluewater, raised-pilothouse/command-bridge cruiser, delivering the performance, range, and efficiency demanded by serious passagemakers. Twin 1150 HP Caterpillar C-18 engines propel her with authority, while dual 29 kW Onan generators, Naiad fin stabilizers, a Yacht Controller system, and a 900 GPH watermaker provide the systems reliability and comfort required for owner-operator coastal or offshore voyaging. Interior appointments of teak-and-holly soles, exquisite joinery, and satin bamboo flooring below reinforce Marlow's signature elegance, culminating in a premium flybridge cruising yacht ready for extended adventures.
