OVERVIEW

WHISTLE is a polished 76' Lazzara Breeze flybridge motor yacht that marries speed, comfort, and adaptability in a single refined package. Her four stateroom layout, supplemented by a generous aft crew suite, invites family and guests aboard for extended voyages, while economical MAN V8 1200s propel this sporty yacht to approximately 26 knots. Intuitive joystick docking provides effortless, precise handling in marinas, underscoring her appeal as a performance cruiser for discerning owners.

The climate-controlled flybridge is conceived for entertaining, appointed with a spa tub, gas grill, wet bar, and a custom davit to stow tenders and water toys. Inside, a fresh, contemporary interior complements recent mechanical service that has been completed, leaving WHISTLE turnkey and ready to cruise—an elegant, versatile sport yacht primed for long-range adventures.

DETAILED DESCRIPTION

Overview

WHISTLE is a beautifully upgraded 76-foot Lazzara Breeze that artfully blends performance, comfort, and versatility, offering a highly coveted four-stateroom layout that welcomes owners and guests with generous accommodations while a spacious aft crew cabin adds valuable flexibility for longer itineraries; powered by reliable MAN V8 1200 engines, she delivers notable fuel efficiency and spirited performance up to 26 knots, with joystick docking and excellent maneuverability that inspire confidence in close quarters, and an air-conditioned flybridge elevates onboard enjoyment with a hot tub, gas grill, wet bar, and a custom crane designed to stow a scooter or jet ski—perfect for maximizing fun at anchor; inside, WHISTLE presents a fresh, inviting interior and with mechanical services up to date she is truly turn-key and ready to cruise. Key features include a four-guest-stateroom layout plus a large aft crew stateroom; TRAC at-anchor stabilizers providing zero-speed comfort; a stern garage and hydraulic swim platform; KVH satellite HDTV paired with a Starlink internet system; Skyhook dynamic positioning; outstanding maneuverability with joystick docking; a hot tub and wet bar; a custom flybridge crane for scooter or jet ski storage; automatic electric blinds throughout; Sunbrella exterior upholstery; and a passerelle. Recent updates further distinguish WHISTLE: a full headliner replacement in 2025; wall-covering fabric replaced in staterooms and companionways in 2025/26; an ElectroSea A/C raw-water strainer; a fresh bottom job with PropSpeed applied in December 2025; and full replacement of exhaust hoses and turbo housings on the main engines in 2025.

Aft deck

The open, Mediterranean-style aft deck sets the stage for relaxed alfresco dining and lounging, anchored by a built-in centerline settee that comfortably seats up to eight, while an automatic electric glass door unites the aft deck with the salon to expand the yacht's social heart; underfoot, teak decks lead past a crew access hatch and teak steps down to the hydraulic swim platform, and a stern garage stands ready for water toys, with integrated side-panel storage to port keeping essentials neatly stowed; a stone table, overhead speakers, a TV on a stainless-steel mount, overhead cockpit lights, and courtesy lights create an elegant ambiance complemented by stainless-steel gates, multiple storage compartments, two deck chairs, and a passerelle for effortless boarding.

Main salon

Flooded with natural light through expansive windows, the main salon indulges with sophisticated styling and whitewashed wood flooring, where an automatic stainless-steel aft-deck door and automatic blinds enhance ease and privacy and a 42-inch LCD TV on a raise/lower mechanism is thoughtfully positioned to remain visible; an L-shaped custom leather sofa invites relaxation alongside a dedicated wine-glass cabinet and wine refrigerator, with chrome LED sconces, low-voltage LED lighting, and 120V duplex receptacles ensuring both ambience and practicality, while updated and upgraded Control 4 components and A/V equipment reside neatly in the salon rack for seamless entertainment control.

Main deck day head

A rare luxury in this size range, the main deck day head sits conveniently between the galley and the salon at the base of the sundeck stairs, allowing

guests easy access without entering the staterooms, and appointments include a custom vanity with a Concetto semi-precious stone countertop and vessel sink, a pedestal-mounted faucet, a Headhunter marine toilet, a mirror, whitewashed wood flooring, useful storage, and automatic blinds.

Galley

Forward of the salon, the open-concept galley frames sweeping views and continues the yacht's refined aesthetic with whitewashed wood floors and premium stainless-steel appliances, where Silestone countertops and a stainless-steel sink with single-lever faucet set the tone for a culinary workspace anchored by a Viking microwave oven, Viking oven, Viking range, and a designer range hood with outside exhaust; daily life is simplified by a Miele dishwasher, Sub-Zero refrigeration/freezer, a Sub-Zero refrigeration drawer, and a built-in Miele coffee maker, while an Auton automatic blender or toaster lift adds a clever touch, and abundant upper and lower storage cabinets, a settee with storage, a glass serving area, wood plank flooring, 120V duplex receptacles, and HVAC controls round out this beautifully functional space. Laundry equipment is thoughtfully positioned in the linen closet within the guest companionway between the staterooms, where a full-size Whirlpool over/under washer and dryer reside for easy access.

Lower helm station

Easily reached from either the main salon or the flybridge, the lower helm station sits ideally to port just forward of the galley, combining excellent sightlines with lasting comfort; the specification includes TRAC zero-speed stabilizers; a Lazzara vessel monitoring and alarm system; a Raymarine Axiom navigation suite with AIS and Raymarine autopilot; a fully instrumented helm console with electronic engine controls; a fully adjustable Treben electric

leather helm chair; a Raymarine VHF; Starlink internet; a generator panel; the EPLEX full-vessel electrical control system; automatic windshield wipers; joystick control; and a bow thruster control.

Bow

Teak walk-around side decks lead to a welcoming bow sanctuary with a generous sun pad and comfortable seating, where a wraparound settee embraces a stone table just aft of the large sun pad, forming an easygoing lounge for conversation and cocktails while discreet deck storage for crew is neatly integrated beneath the seating.

Flybridge

The flybridge is a sun-splashed vantage point with sweeping sea views, where navigation instruments are arranged for intuitive use and superb visibility under way; entertaining comes naturally with a large teak-topped, full-service wet bar complete with Crown bar stools, a propane grill, sink, refrigerator, and icemaker, accompanied by a well-positioned hot tub and plentiful seating including a generous sun pad, and command capability is enhanced with docking stations featuring joystick command and bow thruster control, two Raymarine Axiom monitors, and two Firenze Compo electric helm chairs with integrated cup holders; access is effortless via an interior stairway from the galley and exterior stairs from the aft deck, while a custom davit built into the starboard rail on the sundeck stands ready for scooters.

Master stateroom

Descending from the galley and moving aft along the companionway, you arrive at a full-beam master that feels indulgent and serene, anchored by a

walkaround king berth flanked by built-in nightstands and enriched by custom fabrics and finishes that create a warmly inviting atmosphere; a spacious walk-in wardrobe lies aft to port with ample drawer storage to both port and starboard, while oversized panoramic hull windows bathe the suite in natural light and frame compelling sea views, and entertainment comes via a drop-down 42-inch LCD TV with Satellite TV while daily rituals are supported by a starboard-side vanity/desk with seating and dressing bureaus to starboard offering six drawers each. Comfort and convenience extend to automatic blinds, overhead panels with foam backing, fabric wall coverings, direct and indirect lighting with decorative sconces, 120V duplex receptacles, Control 4 AV controls, HVAC controls, and a walk-in closet with an emergency escape hatch and safe. The private ensuite head, accessed aft to starboard, is modern and beautifully appointed, featuring a quartz-topped vanity with sink, chrome fixtures, a beveled-mirror medicine cabinet, Infiniti edge flooring, and an enclosed full-size glass-doored shower; a Headhunter marine toilet and a bidet underscore the yacht's residential refinement, while foot-activated sensor night lights, towel bars, tissue holders, wall-mounted soap dishes and tumbler holders, a shower system with a removable shower head, an exhaust fan, recessed downlights, 120V duplex receptacles, and overhead low-voltage LED lighting complete the suite.

VIP stateroom

All the way forward along the companionway, the VIP stateroom presents a queen island berth accessible from both sides, a spacious wardrobe for extended stays, and private entry to its ensuite head, with comfort highlights that include a flatscreen satellite TV, automatic blinds, a hanging locker, a chain-locker bulkhead with emergency escape, a cabinet with drawers and shelves for storage, focused reading lights, low-voltage AC LED lighting, a deck hatch with screen and blackout, storage beneath the bed, 120V duplex

receptacles with USB chargers, chrome and brushed-nickel fixtures, HVAC controls, and custom clothes hampers/storage boxes. In the VIP ensuite head, you'll find low-voltage AC lighting, an exhaust ventilation fan, a shower with a seamless enclosure and removable shower head, a Headhunter marine toilet, foot-activated sensor night lights, a medicine cabinet for storage, a vanity with a quartz countertop and backsplash, and 120V duplex receptacles.

Port and starboard guest staterooms

Between the VIP and master, the port and starboard guest staterooms each feature a queen berth, with a full-height hanging wardrobe forward and private entry to an ensuite bath, and the starboard cabin adds flexibility with an optional twin Pullman berth; amenities include an innerspring queen mattress, a flatscreen satellite TV, automatic blinds, a tailored headboard, a hanging locker with a full-length mirrored door, a nightstand with drawers, storage drawers beneath the bed, carpeting with overhead panels backed in foam, panoramic windows, direct and indirect lighting, 120V duplex receptacles, and HVAC controls. The guest ensuite heads are fitted with a Headhunter marine toilet, an exhaust ventilation fan, a glass towel shelf with rails, a medicine cabinet with a frosted-glass front, a custom vanity with a quartz countertop and vessel sink, Infiniti edge flooring, showers with seamless enclosures and removable shower heads, chrome and brushed-nickel fixtures, a wall-mounted tissue holder, and 120V duplex receptacles.

Crew quarters

Purpose-designed crew quarters sleep three, with a queen berth complemented by a twin lofted bunk, while a crew lounge offers a sofa that converts to a bed; a dedicated crew dinette provides a refrigerator, microwave,

and sink, and entertainment and operations are supported by two LCD TVs, a ship's monitor display, and VHF, with practical touches that include direct access to the engine room and to the main deck, wood flooring, low-voltage lighting, 120V duplex receptacles, and drawer storage. The crew ensuite head features a Headhunter marine toilet, a stall shower, a sink with cabinets, 120V duplex receptacles, and an exhaust fan.

Laundry equipment

Conveniently set within the linen closet in the guest companionway between the staterooms is a full-size Whirlpool over/under washer and dryer, making laundry effortless during extended cruises.

Deck and hull

The yacht presents a metallic gray painted hull beneath a white gelcoat superstructure, with teak decks and high-gloss varnished teak cap rails setting a timeless tone; a commanding air horn and a 24 VDC pantograph windshield wiper system with washers enhance safety, while Lazzara custom 16-inch bow, spring, and stern cleats in 316L stainless steel and a custom stainless-steel burgee staff confirm pedigree. Practical elements abound: a forward hatch to the bow cabin, a high Thermal E glass helm windshield, round 316L stainless-steel handrails on all exterior decks, and a solid PVC rub rail with stainless insert; bulwark doors to port and starboard ease dock access, complemented by a boarding ladder and a foredeck locker for line and fender storage, and safety and comfort are furthered by an EPIRB, a liferaft, Sunbrella cushion covers, two stainless-steel anchors with anchor wash, five underwater lights, and comprehensive fire suppression and extinguishers.

Mechanical equipment

An air-conditioned engine room houses twin 1200 hp MAN V8s with underwater exhaust, showing engine hours of port 2395 and starboard 2392 as of January 2026, while climate control is robust via a six-zone 154,000 BTU air-conditioning system with dedicated air handlers and thermostats complemented by touchpad controls throughout the boat; reliability and safety are emphasized with 24 VDC automatic bilge pumps, a 24 VDC high-water alarm, and a fire suppression system with automatic activation, engine shutdown, override, and manual pull. Domestic systems include a Headhunter MACH 5 240V freshwater pump, a Sea Recovery watermaker, a water filtration system, and a 240V 30 gallon water heater. Lazzara's engineered "Ultrasound" engine room system, an interior "Isolation Dampening" system, and thermo barrier foil elevate onboard refinement, while waste management benefits from a Headhunter blackwater pump, and a Florida Bow Thruster and an HVAC system converted to a hybrid closed cooling system enhance handling and efficiency; ride comfort is ensured by an ABT TRAC zero-speed stabilizer. A December 2025 yard visit included bottom paint, pod service, PropSpeed, and hydraulic swim deck service.

Electrical equipment

Power management is comprehensive, with two 23 kW Onan diesel generators fitted with sound shields; generator hours stand at port 3887 and starboard 3727 as of January 2026, while shore power is 240 Volt/60 cycle via an isolation transformer; energy storage comes from AGM Group 31 batteries supported by two battery chargers, and emergency 24 Volt DC lighting illuminates the lower hallway.

Special features

A custom davit for a tender or toys is ingeniously built into the starboard rail on the sundeck, keeping the open decks uncluttered while maximizing capability.

Ceiling heights

Ceiling heights are generous throughout: the master stateroom measures 77 inches, the salon 79 inches, the galley 81 inches, and the flybridge offers 76 inches forward, rising to 84 inches aft.

Exclusions

Owner's personal belongings as well as some artwork are excluded from the sale.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
