OVERVIEW

Step aboard a 255-foot Azimut, a 2011-built showpiece of maritime refinement now gracing the vibrant waters of China, where every line and finish speaks of cultivated taste and performance. The yacht's sleek planing hull, fashioned from a robust combination of fiberglass and plastic, merges durability with nimble responsiveness, allowing comfortable cruising at 25 knots and the exhilaration of a 30-knot top speed. With a beam of 18 feet and a draft just under 6 feet, she delivers stability and seakeeping that make both coastal passages and longer voyages a pleasure.

Inside, Azimut's signature interior design unfolds as an oasis of luxurious detail and modern comfort, from sumptuous lounges to advanced entertainment systems, while expansive GRP decks provide sunlit gathering spaces framed by panoramic ocean views. Under the raised deckboards, a pair of powerful MAN engines ensures the thrust to carry guests reliably and smoothly whether navigating sheltered bays or setting a course for transoceanic adventure.

Offered for sale as part of the exclusive yacht market in China, this vessel is more than transport; it is a lifestyle statement that marries elegant styling, meticulous craftsmanship, and substantive engineering. For those who seek the perfect balance of opulence and speed, this Azimut presents a rare opportunity to own a superbly maintained, high-performance yacht ready to answer the call of the open sea.
