OVERVIEW

A stunning example of timeless elegance, this Alfamarine 78 is currently on the market and located in Athens, Greece. Crafted with meticulous care by a seasoned yachtsman and his team of interior designers, in partnership with Alfamarine's architects, this vessel has been cherished by its original owner since its launch in 2006, having been used exclusively for private enjoyment. Powered by twin CAT C32 engines, which have been consistently serviced by the official Caterpillar team from the start, and equipped with Arneson ASD 15 drives, this yacht boasts a formidable 3,600 horsepower, transforming every voyage into an extraordinary journey. The hull and superstructure received a fresh coat of paint in 2022.

Offering a rare blend of features seldom seen in today's yacht sales market, this magnificent vessel is now poised to welcome its next discerning owner.
